

Fragmentizer Plant Nears Construction in Romulus

Ford Subsidiary Building Facility

To Be Located on 23-acre Land Parcel Near Airport

ANP Staff Writer

ROMULUS—Environ, Inc., a subsidiary of Ford Motor Company, is completing construction of a fragmentizer plant in Romulus, and will be opening an additional plant in Hamilton, Ont., early next year, John B. Hodges, president of Environ, has announced.

The fragmentizer plants will reclaim cast iron, steel, copper, aluminum and other metals from scrapped industrial and consumer products.

Environ, Inc., owns U.S. and foreign patents to a unique fragmentizing machine and has operated a prototype unit in Wyandotte, Mich., since September, 1968.

During that time the company has processed scrap products ranging in size from tiny electric motors to complete truck engines and transmissions.

metals resources, and the social problem of unsightly accumulated wastes," Hodges said.

"Reclaiming scrap not only removes eyesores, but also supplies industry with much-needed metals. Reclaimed metals make up more than half of the copper and 20 per cent of the aluminum used in industry today."

Principal officials of Environ in addition to Hodges include Jack B. Schneider, executive vice president — marketing, C. Robert Enever, treasurer, and David M. Bogle, director of manufacturing. Messrs. Hodges, Bogle and Enever were formerly with Ford Motor Company. Schneider previously was president of Wyandotte Steel Company.

Messrs. Hodges, Schneider and Enever also serve on Environ's board of directors. Other directors are Philip E. Benton, Jr., general manager of Ford's Industrial and Chemical Products Division; Jacques R. Maroni, director of Ford's New Business Development Office; Robert E. Davis, director of Ford's Manufacturing Engineering Office; Edward L. Marande, director of Ford's Materials and Engineering Sciences Office and Donald T. Axon and Paul T. Sullivan of Ford's Industrial and Chemical Products Division.

Environ's Canadian facility will be operated with International Iron and Metal Company, a division of Intermetco, Ltd., which has entered into a contract with Environ to supply the basic production facilities and required scrap metal input material.

Intermetco, Ltd., also will purchase and market the facility's reclaimed steel and cast iron in Canada.

"ENVIRON WILL make a practical contribution toward solving two growing problems: the economic problem of dwindling natural

McConeghy Airs School's Expense Operations to PTA

ROMULUS—Superintendent of Romulus Schools, Robert L. McConeghy was the speaker at the October meeting of the Romulus Area PTA Council, held on Oct. 28.

"Bond and Millage Money, Where Does It Go?" is the area of study Council has adopted for the year and McConeghy was the first speaker on the topic.

After distributing copies of the schedule of expenditures from the General Fund for the school year July 1, 1968 to June 30, 1969, Debt retirement and Bond maturity schedules, State aid estimates and local property tax estimates, he discussed each item with the group.

MCCONEGHY EXPLAINED that the figures in the '68-'69 operating budget were far less than those which would be shown in the '69-'70 budget due to the restricted educational program Romulus had been experiencing.

However, it was clear that a substantial portion of any school operating budget will be given over to salaries, whether it is a restricted; or full curriculum.

Equally clear, when the outstanding bonded

indebtedness was reviewed, was that a large portion of the debt retirement fund is paid in interest.

Current interest being charged is 5.30 percent. McConeghy explained that these were unavoidable

HEARING SCHEDULED

Hunting Ban Sought By Romulus Board

ROMULUS—The adoption of an ordinance banning hunting in Romulus Township is under study by members of the Township Board of Trustees, Roderick E. Smith, township supervisor, disclosed.

Initial steps toward enactment of such an ordinance were taken by the Township Board at its last board meeting when it approved an immediate contacting with area Michigan

Legislature representatives on means of effecting a hunting ban in the Township.

State Representative Edward E. Mahalak, (D) Romulus, representing the 38th District conferred with Smith last week on the proposed ban.

TOWNSHIP ATTORNEY John B. Young has been instructed to draw up a resolution for Board approval.

Homeowners Group Announces Meeting

ROMULUS—ATTENTION: all Romulus Township Homeowners! Circle Nov. 13 on your calendar and make plans to attend the next Open Meeting of the Romulus Township Homeowners Association.

The Meeting will be held, starting at 7:30 p.m., at the Romulus Elementary School, 1165 Olive Street, in the Multi-purpose Room.

Due to the rapid growth and ever changing needs of the Township, but most

importantly, the necessity of the Homeowners Association to keep pace, a committee will be formed to update our by-laws and constitution.

If you are interested in the future of your home and the Township, (our increasing membership shows an increasing interest), you will be at this meeting, ready to take active participation and work on one of the committees.

Remember! 7:30 p.m., Thursday Nov. 13th.

A FRUIT CAKE SALE—The New Boston Rotary Club is sponsoring a Fruit Cake Sale. Promoting the sale above are left to right: Luke Wegienka, Rotarian, Mrs. Wilma Wilson, Huron Township clerk, buying the first fruit cake, and Edward Dulecki, Rotary president and chairman of the Fruit Cake Sale. Mrs. Wilson said she also buys the Rotary Cakes a delicious treat. My son loves them and I buy them every year.

New Boston Rotary Club Opens 1969 Fruit Cake Sale

NEW BOSTON—The New Boston Rotarians began their annual Fruit Cake Sale this week.

This is their once-a-year money making project. The proceeds are used in various club programs.

Last year part of the proceeds from the Fruit Cake Sale were used to purchase uniforms for the Huron High School cheer leaders. The Huron Varsity football team were honored at a Rotary

Banquet and two band members were sent to Interlochen, the National Music Camp last Summer.

Also the Varsity basketball players were entertained after season's play.

THERE ARE other projects which the New Boston Rotary Club hopes to undertake, but this will depend largely on the final sale of fruit cakes.

It is the wish of every New

Boston Rotarian that each family in Huron Township purchase a fruit cake knowing that some worthy project will be accomplished as the result of their purchase.

"With the Holiday Season coming up rapidly now is the time to prepare for the goodies" — Says, President Edward Dulecki. "Your assistance in helping make the New Boston Club Fruit Cake Sale a success will be greatly

Judge James Stone Cites Workings of Point System

BY CHARLES E. WALLS
CHIEF CLERK

Romulus—The bulk of the case load in the 34th District Court is made up of traffic violations.

While this may seem rather insignificant to the average driver, it has become a serious matter for many of our citizens.

Aside from the fact that these seemingly minor violations cost our citizens thousands of dollars in fines and court costs, they can also result in a jail sentence for the frequent violator.

"AS YOUR District Judge, I feel that it is incumbent upon me to explain the workings of the point system that was adopted by our legislature in 1949. (Act 300 of Public Acts of 1949)."

The most common cause for the suspension or revocation of an operator's license is the accumulation of 12 or more points in a two-year period. Points for moving violations are assessed as follows:

*Manslaughter, negligent homicide or other felony resulting from the operation of a motor vehicle—6 points

*Operating a motor vehicle while under the influence of intoxicating liquor or narcotic drugs—6 points

*Failing to stop and disclose identity at the scene of an accident when required by law—6 points

*Reckless operation of a motor vehicle within or without the State of Michigan—6 points

*Violation of any law or ordinance pertaining to speed by exceeding the lawful speed limit by more than 15 miles per hour—4 points

*Violation of any law or ordinance pertaining to speed by exceeding the speed limit by more than 10 miles per hour, but not more than 15 miles per hour—3 points

*Violation of any law or ordinance pertaining to speed by exceeding the speed limit by 10 miles per hour or less—2 points

*Disobeying a traffic signal, stop sign or improper passing—3 points

*All other moving violations pertaining to the operation of a motor vehicle—2 points

IN ADDITION, if a person has accumulated 9 points as specified above, the Director of Driver Services may call that person in for an interview as to his driving ability. Failure to respond to the notice of such an interview will result in 3 points being added to his point record.

Act 332 of the Public Acts

of 1968, provides that any person who fails to answer a citation, or notice to appear in court for violating any provision of the Michigan Motor Vehicle Code, or any ordinance substantially corresponding to the Michigan Motor Vehicle Code, shall be guilty of a misdemeanor.

In addition, after 30 days from the date of hearing prescribed in the citation, or notice to appear in court, the court shall give notice by mail at the last known address of such person, that if he fails to appear within 10 days from such notice, the Secretary of State shall suspend his operator's or chauffeur's license.

SUCH SUSPENSION shall remain in effect until the court informs the Secretary of State that the person has appeared before the court and all matters relating to his violation have been resolved. Before the Secretary of State shall re-issue such suspended license, a fee of \$2.00 must be paid.

The penalty for driving while your license has been suspended or revoked, is a mandatory three days in jail for the first offense, and five days in jail for a second or subsequent offense.

AUDITOR TELL DIRECTORS

PCHA's Financial Picture is 'Most Successful in Field'

WAYNE--The board of directors of the Peoples Community Hospital Authority were told at its October meeting that the Authority financial picture is "one of the most successful I have ever seen in the hospital field" by Hyman Sapakie, representing the auditing firm of Arthur and Young.

He said he believed that 1968 was a year PCHA administrators, directors and 23 participating area communities should be proud of.

Sapakie also said that of the more than \$20 millions in net revenues collected by PCHA hospitals last year, nearly \$13½ millions were returned to their communities in wages, salaries and fringe benefits.

"NOT ONLY does PCHA provide valuable health care for members of its communities," said Sapakie, "but it also in some areas is the community's largest employer."

Other highlights of the PCHA audit include:

- * An increase in total assets of \$1.9 million over last year;
- * A record worth of \$36.3 millions;
- * An increase in payroll costs of \$1.8 million over last year;
- * Complete collection of tax assessments from participating communities

totalling \$895,000 with no delinquencies.

AMONG RECOMMENDATIONS considered and approved by PCHA directors was a new salary scale for directors of nursing, pharmacists and chief pharmacists.

A director of nursing of

one of the larger PCHA hospitals may now receive a beginning monthly salary of \$1,100.

Also approved was a special management course for training hospital department heads and assistant at a cost of \$1,080 to PCHA. This is a twelve-week study program in

management skills and will include some twenty PCHA hospital employees. Positions of occupational therapy educational director and occupational therapy supervisor were approved by authority directors.

ALSO AUTHORIZED was the payment of current bills

and the purchase of a laundry truck and carts to transport linen between the Beyer Hospital and Annapolis Hospital laundries.

Finally, PCHA directors approved selection of Harley, Ellington, Associates, Incorporated as architects to proceed with working drawings and specifications

for PCHA's new central laundry facility.

Karl S. Klicka, M.D., executive director of the Authority, presented preliminary plans to the directors and explained in detail special features involved in constructing the facility.

The Letter Box

(Editor's Note: The following Letter to the Editor was written by Lance Corporal David A. Riley, United States Marine Corps, of 510 West Huron River Drive, Belleville, in which he cites his views on the Vietnam War and criticizes those who in his opinion aid the enemy.)

TO THE EDITOR:

Moratoriums, peace movements, hippies, and whatever, how much good are they? Not much, because President Nixon cannot and should not completely withdraw the troops, the Viet Cong and North Vietnamese Army would have this country overrun in a very short time.

They want this country, and have fought a long, hard, war to get it. Do you or anyone of the hippies think they'll just up and leave this place because we do? No they won't!

I'll admit I want to come home, I have a wife, one child, and a second due in January, which I won't see for approximately one month after it's birth, but we are a free country, and we choose the way we wanted our country run, these people deserve the same chance!

A FEW who might read this may not agree, but I see every day how ignorant, backwards, most of the people in I Corps Area really are.

Everyone in the United States has a chance for an education, you would be very lucky to get one if you lived here, especially if the Communists were to take over this country.

And speaking of taking, how far are the communists going to be allowed to go before they are stopped, they have no mercy, they take and don't give in return. I would hate to see my children live in a place like this, and I'm glad there were men who felt enough for their country to die for it, rather than stand in a street, and carry a sign!

Every man here wants to come home, but most believe in their job, and know it had to be done, so they did it!

Almost every time I hear of a troop withdrawal, I pray and hope that it'll do some good, but I am almost sure it won't, because the enemy is just waiting, for the right time, and place, and when it comes, many men are gonna

die, because someone, or a whole bunch of someone's didn't like the war in Vietnam!

All I have to say is, I have approximately 86 days left in Vietnam, on my first tour, but I'll be back, who knows how the circumstances will be, but I hope that they are just a little more towards the initial idea, freedom of choice, for government, religion, and so on, because I have had a few friends killed here, but the other almost 40,000 men. I'd be one very ashamed and disappointed person, in the United States of America, to be a part of a country that let them die, for nothing, only because they thought we shouldn't be there.

MY FEELINGS, plain and simple are, they want freedom, ok, help them in any way possible, because the Communists will have gained one more objective, which country is next, US.

Not only the men who have died here, for America, but in ALL previous wars, how many millions have served the call, and died, so we could have a place to live, under a democratic society, not communist!

You say President Nixon has had it easy for several months, no President has it easy when his country is torn by war, with men dying, no President!

An example of how the Communists work, Paris, why do you think they drag on with the Peace talks? The enemy wants peace, but they won't settle for it unless they have South Vietnam, and if the U.S. withdraws all the troops, they have a much improved chance of getting and keeping it this time!

I believe Senator Percy from Illinois said the following statement! "Peace without Honor is no Peace at all!"

I am not the only one who feels this way, I have only one other man's opinion personally, his name is Bruce Wokelton from Princeton, Kentucky, he feels exactly as I do, as do many others if you care to check!

My only hopes are that the men who died here, not only from Belleville, Wayne, Inkster, Ypsilanti, Ann Arbor, or Michigan, but from anywhere in the world, will not have died in vain, and that these people get and keep the same chance for freedom as you, your friends, neighbors, and I have.

They need help, who can give it to them, they are making progress, but it'll be some time yet, let us not desert them now!

WINNER OF CADILLAC CAR—Joseph Schlund, operator of the Sunoco Service Station and other enterprises (left) is being congratulated on his winning the 1970 Cadillac Car, grand prize of St. Anthony's Annual Cadillac Raffle held at Rogalle's Lounge on Oct. 24. Presenting the car is Herman Rossi, chairman of this year's raffle and Tom G. Hamlin, president of Men's Club at St. Anthony's and program co-chairman.

Men's Club Lists Winners

BELLEVILLE—The Men's Club at St. Anthony's Catholic Church reported Monday that the club's introductory Annual Cadillac Raffle was a "tremendous success."

"It was gratifying and rewarding to note that the entire community gave full support to the annual event," Thomas G. Hamlin, club president; and Herman Rossi, co-chairman, announced.

To all who attended and participated a heartfelt thanks was issued for their contribution toward St. Anthony School as proceeds of the affair are to be used for the school.

The raffle and dinner was held at Rogalle's Lounge. The winners of the Cadillac car and \$100 bonds were announced. They are:

Joseph Schlund, owner of a Sunoco Gas Service and

other business enterprises in the Belleville area was the winner of the new 1970 Cadillac.

Bond winners were: Clara Januszyk, Bob Hayward, Orlo G. Roberts, Leo Gramlich, Bea Ackron, Ronald Chudzinski, James F. Ackron, Walter Pieknik, George Hallis, Ray Baker, Ernie Youtsey, Warren Branscomb and James P. Grizzle, Jr.

TO THE EDITOR:

Just a few lines to let you know of the great mail I received last week. It was a copy of the Romulus Roman. This came as a rather happy surprise. First because I was just delighted to read some news about Romulus. Second being the fact that when I left for Vietnam back in January we didn't have our own paper.

Well, now I'm looking forward to reading the Romulus Roman when I return home.

Eight Area Hunters Return With Kills

THE HUNTERS RETURNED—The above eight member group of area hunters are shown with results of the Colorado deer hunting trip. The hunters are residents of Romulus and its adjacent areas. They traveled some 1,700 miles to Wallcott, near Eagle, Colorado to hunt this year. Left to right (back row) are Ulysses Dood, River Rouge; James Stewart and Owen Richardson, both of Romulus. Front row (left to right) are: Troy Tackett, Ecorse; Herb Ashbrook, Taylor; Charles Farmer, Wyandotte; Ray Cantrell of Romulus. Missing is Jim Mays of Melvindale.

Nine Left Homeless By Fire

ROMULUS—Fire in Romulus left a family of eight children homeless.

Hunting

(Continued from Page 1-A)

A public hearing is scheduled for Nov. 21, at Romulus Senior High School gymnasium to hear the pros and cons of township residents. And registered voters are to be notified of the proposed ban Smith said. In commenting on the proposed hunting ban, Smith stated:

"The repeated growth of the Township dictates that we should do something about hunting in the Township. The residential, commercial and industrial phases of the Township is developing rapidly."

A year ago Romulus voters approved City Incorporation and currently a nine member Charter Commission is working on a proposed City Charter.

A presentation of the new City Charter for voter approval is planned for early next year.

City status for Romulus would also rule out any hunting within the confines of the city.

The fire believed caused by an oil stove explosion, completely damaged the one-story frame home of Mrs. Maxine Richey, 35, of 27522 Newcastle.

The eight children and mother managed to flee the burning structure in time.

JUDGE

(Continued from Page 1-A)

There will be little or no cause for concern in this matter if all of us will keep in mind that driving is a privilege that must be carefully protected and preserved.

MC GONEGHY

(Continued from Page 1-A)

SCHOOL DISTRICTS and school boards are being dictated to as to how voted funds are being spent, McConeghy said. Factors like teacher strikes and inability to attract buyers for school bonds at low interest rates have great influence on how the funds are used.

The children were taken in by neighbors until some other arrangements can be made. The entire contents, including the children's clothing, was damaged.

Mrs. William Parr of 27784 Newcastle, is giving temporary lodging for the children, who ranged in age from 16 down to three years. They are:

Roxanne, 3; Kathy, 5; Eva, 7; Leo, 8; Frank, 10; Roberta, 12; John, 15; and Ellen, 16.

Other neighbors were endeavoring to contact the Salvation Army, Red Cross and other agencies Monday in efforts to get some assistance for the family. For those who want to help they are asked to call 278-7739.

School administrators are concerned about what is happening in Lansing this year, he said. The Legislature may do something about property tax and they may also do something about income tax, he added.

He viewed with concern the increasing needs of the school district. A new Junior High, classroom additions to existing buildings, possible special service additions to others, plus two new elementary schools are current needs and would necessitate a building program in excess of 10 million dollars.

Proportionate operating funds would also be necessary.

After McConeghy's talk, listeners were not so much in doubt as to where the tax money would go as they were concerned about from where it was to come.

ROMULUS—A group of area deer hunters returned from Colorado wilds last Thursday, Oct. 23, all with successful kills.

The trip of some 1,700 miles was the second annual hunting expedition for the group. In all seven bucks and one doe were bagged.

Hunting for deer at Wallcott, near Eagle, Colorado and nearby mountains were: Rayn Cantrell, of 16080 Dodge, owner of Cantrell Sewer Excavating Company, Romulus, one of the leaders of the deer hunting trip; James C. Stewart, 7164 Harrison, Romulus trustee; Owen Richardson, 36725 Neville, Romulus building inspector; Ulysses Dodd of River Rouge, Troy Tackett of Ecorse, Herb Ashbrook of Taylor, Charles Farmer of Wyandotte, and James Mays of Melvindale.

Stewart, co-leader, reported that the mule deer (called because of the shape of their ears) were plentiful. Hunting season at their location opened Oct. 18 and runs to Nov. 6 with no limit on deer kills.

He also reported that the mountain area where the group hunted had in some places snow three to four feet deep.

Most of the kills were made in 200 to 500 yard ranges.

The deer ranged from three to 10 pointers and weighing from 125 to 165 pounds.

Halloween Peaceful

Both the Belleville and Romulus Township Police Departments reported that their Halloween observances were peaceful and commended the children for behaving.

Police Chief Jacob J. Koch of Romulus stated that no arrests were made and the township Halloweeners were "very nice." Sgt. Russell McLaughlin of the Belleville made a similar report. Kids behave in good manner, he stated.

Both police officers added that no destruction caused by Halloween pranksters was reported.

Area PTA Committee Commends

The meeting was called to order by the President, Mrs. Judy Gruber. Reports were given and communications were read. A report was given by representatives of the Homecoming Committee.

The proposed budget was accepted. Roll call was made and membership totals were given: Cory-75, Gordonier-45, Harrison-51, Hayti-133, Merriman-32, Romulus Elementary-58, Mt. Pleasant-24.

IT WAS decided that the annual installation banquet would be continued and that it would be financed in the manner used in previous years.

Mrs. Gruber announced that Council members had been invited by William Jakad, assistant superintendent of Romulus Schools, to make a tour of the High School on Nov. 11. The group would meet at 10 a.m., tour the building and auditorium and adjourn for lunch at the Romulette room at 1:25.

Mrs. Gruber stated that Council members had also been invited to make a bus tour of the Romulus Community School District at a later date.

Announcements were made: Mrs. Gloria Chandler asked for volunteers for the

March of Dimes. A measles inoculation clinic is planned and there is a need for nurses to help.

Mrs. Judi Robbins invited other PTA's to attend a hayride being sponsored by the Merriman and Harrison PTA groups. It will be held at the Kind farm, Pennsylvania and Middlebelt, Nov. 15 at 7 p.m. Tickets are \$5 per couple.

Mrs. Gruber introduced the Superintendent of Schools, Robert L. McConeghy who explained expenditures of funds voted to build and operate the Romulus Community Schools.

A Laurel Earned; A Job Undertaken

This week marks the changing of the guard in Westland, where Mayor Thomas H. Brown turns over the reins of government to Mayor-Elect Gene McKinney, and a new City Council begins its two-year tenure.

To Mayor Brown, the departing leader, goes the laurel wreath for his service to the community. To McKinney, the incoming leader, go the responsibilities of office and a new and vulnerable position on the front line.

Thomas H. Brown, who likes to be called Tom, has never pretended to be what he wasn't. During his campaign he said that he had "a deep, and abiding belief that government should be run by ordinary people."

It was a conviction only his worst detractors doubted in him, and it was a conviction that won him long, lasting friends. There is a great habit among people to discard the talent and interest once a man has suffered a setback. We hope this doesn't happen to Tom Brown. He gave too much of himself, and his energies are too greatly needed.

Gene McKinney, on the other hand, has heard most of the music of victory, and now faces the responsibility of the job that Westland citizens were confident he could do. This is a formidable task, but we believe now as we did in September and October that McKinney can deliver.

His first big job as Mayor will be a quiet one—the task of reorganizing City government his way, the way he thinks it can work best. New people will have to be hired and new directions outlined before the larger task of building Westland can begin.

In the two months since his primary victory McKinney has been lining up the people he needs to man his administration, and has worked to get good lines of communication open between himself and his fellow City Councilmen. He will already be on the move when he begins November 7.

To one man—Tom Brown—the laurels for service. To another—Gene McKinney—the responsibility of office.

Hunting A Problem; Laws Need Study

Today in Western Wayne County there is virtually no place left to hunt because of the mushrooming population. And in communities where hunting is permitted, a long hard look at our present laws is needed.

Canton Township is one of the few favored places in Wayne County where hunting is virtually unrestricted. The only limitation placed on hunters is that they do not shoot within 450 feet of a building. Other than that, there are no regulations governing the use of firearms in Canton.

The townships of Ecorse, Redford, Dearborn (now Dearborn Heights), Nankin, (now Westland) and Taylor, (now a city) and Grosse Ile banned hunting with firearms years ago. Grosse Ile went a step further and banned all hunting, including bow and arrow.

With hunting season upon us, the problem comes to light with new intensity. Misuse of guns by a small number in Canton is frightening residents into possibly starting a petition to severely restrict hunting in Canton Township.

We feel strongly that protection of life and limb is of utmost importance. But let's

not rashly rush into unwise legislation which would deprive the sportsmen of recreational activity that is conducted in a responsible, safe way.

On Sept. 1, 1971, a new law will take effect requiring all youth 12 through 17 years of age to take a Hunter's Safety Training Program. This is good, but right now boys as young as 8-years-old can shoot if they have a license purchased for them and are with a person 17 or over appointed by their parent or guardian, according to the Michigan Dept. of Conservation.

Many complaints on misuse of guns in Canton have been reported to the Eagle and we believe they are well-founded and true. On the other hand, the Canton Hunt Club and other responsible hunters have built up an enviable reputation by working together with the farmers of Canton Township and should not be deprived of their sport because of a few youthful or misguided offenders.

Some kind of legislative move must be made soon because of our population boom in Canton. But we urge the Board of Trustees and residents to study the situation fully before recommending which regulations are passed.

Sitting Bill

Eaten Alive By Compromise

By Bill Pomeroy

When I stopped sweating, they knew I knew my job. And so they gave me more work, and then more, and then I quit. But even then it was to go to college. Even as I protested that everything was turning from quality into quantity, they had a philosophy that twisted my truths into their truths. And I quit for the wrong reasons.

During another time of working for the same automobile giant, I found myself letting poor work go on when it should've been thrown in the trash. I resisted, found out, in fact, that I would be ousted if I didn't come around, and needing money, I sheepishly agreed.

Each time, I signed a pact with the devil, called big business in some fields, but in fact the devil. I knew that sooner or later I would be repaid. I knew it, but I took it in, and rested back and tried to justify myself by saying that you can't fight the Goliaths, or everyone is doing it.

Recently when my car collided with a

deer, my car was damaged, and I went through the ritual of getting it repaired. I called my insurance man he said how could you, your insurance will go up, and we can't supply a car. So, I called up a dealership and asked how long will it take, giving the statistics of repair. Two weeks. Okay. Two weeks later I called: "Is my car ready?" Who's this? they asked, and I tell him, and there's a pause, and he said, "Well, Mr. Pomeroy...ah...we haven't started yet."

Tears well in shallow, darkened eye sockets and I curse and eventually must agree that "they" aren't doing their job and hang up with a "Thank You."

Two more weeks pass before I get the car back, all the while no hint of the servicing department on their progress, and my tolerance and humility is being tested: a huge forefinger is pressing itself on my body and although it doesn't elicit pain, it is very bothersome, and I can hear voices goad, "How long are you going to take it, Bill?"

'If It Fitz---'

At War with Peace

By Jim Fitzgerald

Mostly to help General Carl Turner and the military-munitions complex, I infiltrated a peace rally on Moratorium Day.

But I admit I hedged my bet, just in case my theory didn't work. I told my wife to spend that day driving around town with her headlights on.

The marvelous thing about a democracy is the instant control we little people have over big things.

Imagine. All I had to do was stand in front of the court house and listen to some anti-war speeches and presto! Hanoi is encouraged and the Vietnam war is prolonged, Nixon said so. And maybe General Turner won't have to sell his guns.

Imagine again. Just in case my presence was misunderstood, and actually aided the protesters' efforts to end the war, I had a perfect self-destruct mechanism. All my wife had to do was flick on her carlights and she wiped out my stand at the court house. The Nixon men said beaming bulbs in the sunshine meant non-support for Moratorium Day. My wife could cancel my vote without getting out of the car, a curb service which might soon be

offered on election days. What a splendid country.

It took no small amount of bravery to attend the Moratorium program. Peace rallies aren't very big in 6,000-population towns and at first I figured it would be a pretty harmless thing. But then some smart people wised me up. Our city manager went on the radio and said the cops were ready for trouble. The VFW commander said the rally was run by Communist dupes. Spiro Agnew said war protesters get mail from Hanoi. And an anonymous phone call warned that I'd make an easy target among all those unwashed demonstrators because I'm over 30 and don't even have long sideburns.

I was scared, I'll admit. But I was also worried about General Turner. I figure he's one of the big things we little people should do something about. So I contributed one more warm body to the rally, determined to do my backlash best to keep the general in business.

You've read about General Turner. He's lately been defending himself before a congressional investigating committee. The Chicago police chief says he gave General Turner a mess of guns to be

put in an Army museum. Turner admits he sold the guns and pocketed the dough. But, says the general, the chief knew darn well the guns were for him and not for the Army. The chief says the general is a liar.

I'm really not concerned about which man is fighting. What bugs me is this: What is one of our generals doing selling his guns?

Hasn't he got anyone to shoot?

What's this country coming to, anyway? Geez.

We obviously need every war we can get. Otherwise, we won't be getting our money's worth out of our generals. And if there's one thing we don't need, it's more waste in the Pentagon.

Also, a war shortage could increase welfare problems. Munition companies would fail and they wouldn't be able to hire retired generals as vice presidents. All that brass on breadlines would be embarrassing to our great nation.

So that's why I was a turncoat at the peace rally. In my devious way, I was fighting a war gap.

Public Enemy No. 2

By Dann Barkume

How many times has some long lost "friend" come up to you and asked for a favor because they think you owe them something? Freeloaders are as plentiful as pickpockets at a carnival and most upstanding people are constantly bothered by these menaces.

The freeloader is a guy who thinks that society is supposed to give him something for nothing, society in this case being all of his acquaintances.

We have all been guilty of freeloading at some point in time during the course of our lives; whether it be a cigarette or a cup of sugar, we're getting it for nothing.

"Say, can I borrow a quarter for a coffee?"

How do we go about ridding our society from these despicable creatures who constantly prey on

the good nature of upstanding men? The answer is one which comes after much hard thought and deliberation.

If we want to get rid of these freeloading "persona non grata" we must start at the base of the problem, namely ourselves.

Little old us.

We complain about Joe Shmoe who borrows smokes every time we turn around and then proceed to ask our dear friend Fred if he can spare a cigar because we just ran out.

Sound familiar?

Did you ever try and run to the store for a couple of pounds of sugar instead of running over

to Nancy's for a cup, of coffee that is, which of course is on the house as well.

How about buying a pack of cigarettes instead of bumming them for a couple of weeks?

You can spot a freeloader a mile away. He walks up with a big smile on his face and slaps your back and tells you what a great guy you are and how lovely your wife is and that your kids are the best behaved on the block and how your dog is so well groomed and how the boss likes you and then asks for a five dollar loan until payday.

Be on the lookout for the freeloader, he is public enemy number one, right behind all of us who have ever been guilty of pulling one and then pointing the finger at everybody else.

"Can somebody lend me five until payday?"

Western Riders 4-H Club Elect Officers

ROMULUS—Members of the Romulus Western Riders 4-H Club held their first outing of the year Saturday, Nov. 1, when they visited the Botanical Gardens of the University of Michigan in Ann Arbor.

A guided tour was arranged by their Conservation Leader, Mrs. Pearl Varner, which made the visit an exceptionally interesting and educational experience.

The club held its annual election of officers at its October meeting, at the home of organizational leaders, Mr. and Mrs. Frederick W. Hay, Huron River Drive.

After completing enrollment forms, the members elected new officers, as follows:

Fred M. Hay, 18, president; James Wagner, 17, vice-president. Both boys are seniors at Romulus High

School this year. Re-elected secretary was Marie Diepenhorst, 16; while James Morris, 15, was named treasurer. All officers are Junior Leaders in the club.

SEVERAL CLUB members are making plans to enter and attend the Michigan Junior Livestock Horse Show Friday, Saturday and Sunday, Nov. 7, 8, 9 at the State Fairgrounds in Detroit.

Parents and others interested in seeing the teen-agers and their pleasure horses perform are invited to attend.

Carla Hay, 13, showed her 5-month-old ¼ Arabian at the Michigan Arabian Futurity at the State Fairgrounds recently. The filly was awarded an 8th place ribbon.

The next meeting of the club will be held Wednesday, Nov. 12, from 7 to 8:30 p.m., at the F. W. Hay home. All members are urged to attend.

Freitas Finishes Basic Training

BELLEVILLE—Airman Lee Freitas, son of Mrs. Mary Freitas of 7016 Haggerty Road, has completed basic training at Lackland AFB, Tex.

He has been assigned to Sheppard AFB, Tex., for training in the transportation field. Airman Freitas attended Belleville High School.

County Committee Gives Top Priority to Youth Delinquency

Prevention and control of youth delinquency has been given top priority among the objectives set for Wayne County by a committee representing the major public agencies with a stake in crime control.

Present programs for dealing with youth crime are "grossly inadequate," according to the report which recommended that the problem be given top priority by the Wayne County Committee on Crime Control and Prevention.

(In adopting the 1969-70 County budget, the Board of Supervisors last week gave top priority to the youth crime problem.

*** The supervisors added \$100,000 for more employees at Juvenile Court in addition to 17 new positions already budgeted for the court. Four members of the Board of Supervisors serve on the coordinating committee).

The report is the result of Phase Two of a year-long Wayne County crime control and prevention study conducted under the direction of Hubert G. Locke, former aide to the Detroit police commissioner and now a faculty member at Wayne State University.

Phase One of the study, completed last April, concluded that a "losing battle" is being waged against crime in Wayne County and recommended 19 new programs.

Twelve of the proposals are now being considered by State officials for funding under the Federal Safe Streets and Crime Control program.

THE LATEST report from Locke declares that "the total resources of the County must be mobilized to work constructively with youth before they become delinquents or juvenile offenders".

The report quotes Juvenile

Court Judge James H. Lincoln as saying "this is where we must turn off the faucet, if we are to do anything significant and meaningful about the crime problem in our community."

A "massive system of intervention" is called for in the report to identify youngsters who are headed for trouble as early as possible and then guide them away from a life of crime.

The report proposes anti-delinquency programs in schools and churches, neighborhood youth centers, increased staff and space at Juvenile Court and the Youth Home, a project to improve relations between police and juveniles, and neighborhood residential centers for

short-term housing of delinquents.

IN GIVING juvenile delinquency top priority, the coordinating committee set seven other priorities. They are, in order:

Research and development in law enforcement and criminal justice, improvement of police techniques and upgrading of law enforcement personnel, reduction of organized crime, increase effectiveness of correction and rehabilitation, improvement of prosecution and court activities and law reform, improvement of community confidence and cooperation in law enforcement and criminal justice, and prevention and control of riots and civil disorders.

ROSEMARY KORGAL IS BRIDE

Newlywed Jack Lorias
Honeymoon In Hawaii

A week-long honeymoon in Hawaii followed the October 25 wedding of Rosemary A. Korgal and Jack P. Loria, both of Belleville. Since jetting home from the Islands, the newlyweds have taken up residence at 1107 S. Harris Road, Ypsilanti.

St. Anthony's Catholic Church was the setting for the couple's double ring ceremony at which the new church pastor, Father Raymond Skoney, and the retiring pastor, Father Albert J. Foltz, presided. Bouquets of white gladioli and chrysanthemums graced the altar for the ten o'clock nuptials which united the daughter of Mr. and Mrs. Frank B. Korgal, of 57 W. Spencer Street, and the son of Mr. and Mrs. Joseph M. Loria, of 14233 Lenmore Road.

Breakfast Provides Day's
Needs; Don't Skip It

Ten years of scientific research on breakfast at the University of Iowa Medical College proved the first meal of the day is vitally important.

Those who skip or skimp on breakfast feel let down in mid-to late-morning. Work output is lower at home, in school and in business.

Weight control efforts are more difficult when breakfast is skipped.

Lack of an adequate breakfast increases the feeling of hunger in late morning. This often leads to overeating at the next meal. As a result, total calories for the day may increase—just what the weight watcher doesn't want.

For good nutrition and

energy a person should receive 1/4 of his daily calorie and protein needs at breakfast. Ready-to-eat cereals are quick and easy to serve. Hot cereals are now available in instant forms.

Many welcome cereals' low fat and no cholesterol. A bowl of cereal and whole milk contains only about 200 calories. New cereals provide extra quantities of protein and those vitamins and minerals, including iron, which are most often missing from the diet. Recent national health and nutrition surveys show that a substantial number of Americans are poorly nourished—in many cases due to a lack of understanding of what to eat for good health.

appeared in a princess-line creation of Deluna peau with Chantilly lace accenting the little fitted bodice, mandarin neckline, and hem of the skirt.

The lace motif was repeated on the bride's floorlength mantilla which drifted from a high-rise pillbox of matching lace. Completing her bridal finery was a bouquet of white pomp daisy mums and three miniature white orchids.

Mrs. James Luke, of Belleville, served as honor attendant for her close friend. Her toe-touching chiffon frock was in avocado green with long, puffy sleeves with the cuffs and high neckline traced in teal blue ribbon. The basket she carried held an arrangement of gold mums deep red carnations, and ivy.

Wearing identical ensembles in lime green were Mary Ann Sietz, Karen Sksek, and the bride's cousin, Kay Horton, all of Belleville.

PRECEDING THE bride to the altar were the two little ringbearers, Jeffrey Loria, son of the Jim Lorias of Fenton and nephew of the bridegroom; and Edward Nowak, son of the Joseph Nowaks of Belleville and cousin of the bride.

Bob Hoeft, of Belleville, was asked to be best man. Others on the esquire side were Richard Korgal, brother of the bride; John Post of Ypsilanti, and Terry Schmidt, of Belleville. The bridegroom's two brothers, Jim Loria, of Fenton, and Bob Loria, of East Lansing, seated the guests.

The breakfast which followed and the evening reception were held at the P.N.A. Hall, Belleville, where dinner and dancing were enjoyed.

The bridegroom's parents played host at the rehearsal dinner in their home Friday evening.

Both Jack and Rosemary are Belleville High alumnus, he having graduated in 1964 and she in 1966. She attended Michigan State University for one year and is currently working as a dental assistant for Dr. Fred Schekum, of Ypsilanti.

Jack, an employee of American Airlines at Metro Airport, attends Cleary College where he is affiliated with Sigma Phi Chi fraternity.

Jumpin' Jack
Nursery School
Has Full Count

Another year has begun for the Jumping Jack Nursery School, a member of the Huron Valley Council of Cooperative Nurseries and located on Grove Rd., Ypsilanti. With a full enrollment in each age group, school opened the 15th of September. Both three- and four-year-olds came to meet new faces and new activities as their parents had only a few nights before at their own Orientation meeting. Already the Executive Board and the General meetings have been held, at which experienced chairman mothers and those new-to-the-job voiced their recent accomplishments and future plans.

So far, the children have enjoyed a field trip to the Apple Hill orchard, complete with a bag of apples for each, have braved a short hike to their teacher's, Mrs. Sue Johnson's, home for Halloween pumpkins; and held a Halloween party which included dress-up day, special treats for the occasion, and a parade around the block to show off their costumes.

Most events occur on separate days of the week for each group, yet some are combined, as in the case of one-day field trips. All in all, our thirty-two children are in store for an active, friend-filled year at Jumping Jack.

Note: Although membership is closed at present, parents wishing to place their child on a waiting list for the spring semester may contact Doris Kruger, 482-2201.

ALL AROUND

THE TOWN . . . with Lee

European Sojourn Is Over

THE NORMAN Baumanns, of Ozga Road, Romulus, have two months in Europe to reminisce over these chill pre-winter days. Their many pleasant memories relived through photographs and their travel log will help to warm many a frosty evening, we suspect.

The Baumanns were among 23 persons from California, Florida, Pennsylvania, Texas, Nebraska, and Michigan to depart from Metro Airport this past summer and jet their way to London. Their four day stay was packed to the hilt with just everything there is to see in and about Big Ben's domain.

Traveling by boat to Holland they attended a most unusual flower auction; drove by the Hague; did the canal bit; and also visited Rotterdam and Ghent. Mrs. B. was completely awed by the cleanliness of the country. "Rich or poor, they ALL were clean," she said, "with crisp, frilly white curtains on just about every window."

Passing through Luxembourg, they journeyed on to Germany and Heidelberg where they were met by their son, S/Sgt. and Mrs. Patrick Burgess and their three children who took them to the Sergeant's bass near Mannheim where they spent the night.

In Rothenburg their accommodations, Mrs. B. stated, were on a par with our bridal suites and the view of the mountains from their rooms was utterly fantastic.

Reliving the scenes shot during the filming of "Sound of Music" was a marvelous experience for them at Salzburg, Austria and every bit of the countryside is as beautiful as in the movie, she said.

From Vienna they continued on into Italy where they covered Venice (and enjoyed a gondola's view of the city); Florence, Naples, Pompeii, Pisa, Rome, and the Isle of Capri where they spent two days.

Visiting Monte Carlo was part of their itinerary as they visited the French Riviera and Cannes and then it was onto Switzerland for a breath-taking ride to the top of the Jung Frau via four different cable cars. After doing Lucerne they returned to France with the Palace of Versailles, cathedrals, castles, and finally Parez on the agenda. They saw as much of the city as possible on foot and covered a great deal of territory during their five-day sojourn.

The last lap of their trip was a flight to Spain for visits to Madrid, Seville, and Granada to name but a few cities they visited. Lisbon, Portugal was the final stop on their tour which ended with the remarkable report that they'd had excellent weather all along.

Harkai-Evans Vows Read
At St. Anthony's Church

A quartet of attendants in orchid velvet gowns preceded Chatrina Evans to the altar of St. Anthony's Catholic Church October 4 as she approached her waiting bridegroom, Gary L. Harkai, son of Mr. and Mrs. Frank Harkai, of 40555 Willis Road, Belleville.

Their double ring vows were exchanged in a six thirty o'clock ceremony read by Father J. B. Rose before an altar graced with bouquets of white gladioli and carnations.

The daughter of Mr. and Mrs. Walter R. Evans, of 1976 Mary Catherine Street, Ypsilanti, Chatrina was escorted to the sanctuary by her father. For her wedding day she donned a toe-touching gown of Chantilly lace fashioned with an empire bodice with a scalloped neckline and wristpoint sleeves frosted with seed pearls. The A-line creation was gathered at the back to form a chapel train.

A gold cross, borrowed from the bridegroom's mother, was Chatrina's only jewelry.

Her silk illusion veil in mid-back length was caught to a crown of pearls and she carried cascading miniature white carnations centered with white orchids.

AS HER SISTER'S maid of honor, Cynthia Evans donned a gown in dark velvet cut in the A-line with a high-rise bodice trimmed with pale orchid daisies. A matching velvet bow with pale orchid veiling comprised her headpiece and she held a colonial arrangement of white and lavender daisy mums.

Bridesmaids were another sister, Thena Evans; Connie Magee, of Ypsilanti; and Kay Zaborowski, of Belleville, cousin of the bridegroom.

Their gowns were styled with dark orchid velvet bodices and pale orchid skirts of chiffon over taffeta.

Seven-year old Pamela Brown, daughter of the Charles Browns of Ypsilanti, wore a miniature version of the senior attendants' frocks for her role as flowergirl. The white basket she carried was filled with carnation petals and trimmed with velvet ribbon.

Ringbearer was five-year old Ronald Emerson, son of Mr. Betty Emerson, of Ypsilanti.

WAYNE SIETZ, of Belleville, served as best man. The corps of ushers included Dennis Harkai, brother of the

bridegroom; Paul Chudzinski, and Dean Wilson, cousin of the bridegroom, all from Belleville.

The P.N.A. Hall was reserved for the reception which followed. The 350 guests were greeted by Mrs. Evans in mint green lace over taffeta and Mrs. Harkai wearing a rose, A-line knit. Both mothers added corsages of white carnations tipped to match their frocks.

Since returning from a 10-day motor tour of lower Michigan, the newlyweds have been at home at 107 Washtenaw, Ypsilanti.

The new Mrs. Harkai attended Western Michigan University, took airline personnel training, and is now with Ann Arbor Circuits, Inc. Her husband, a student at Washtenaw Community College, formerly attended Ferris State College.

BELLEVILLE BREVITIES

Canada, Bahamas, Upper Michigan On Tour Route

BY MRS. JOSEPH SPRING
OX 9-4021

Mr. and Mrs. William Graham of Liberty Street returned home on Sunday, Oct. 26, after a three weeks trip to Canada where they visited relatives. Enroute out West they called on Mr. and Mrs. Thomas Pickering at Port Arthur, Ontario, spent some time with their daughter Grace and husband, the Rock Malloys at Winnipeg, Manitoba; visited Mr. Graham's sister and husband, Mr. and Mrs. Thomas Hislop, at Prince Albert, Saskatchewan, and returning home through Port Huron they called on friends. They report beautiful fall colors, good weather, and a little snow.

Mr. and Mrs. Robert Nicoll and daughter Andrea from Gisborne, New Zealand arrived by plane on Thursday, Oct. 23, and were guests until Sunday of Mr. and Mrs. Harold Brownlee of De Witt Road. The ladies, who were former schoolmates and grew up together at Bristol, England, hadn't seen each other in 24 years. The Nicolls were enroute home to New Zealand after touring Europe and England since June 4.

Overnight guests last week Tuesday of Dr. and Mrs. J. H. Tator were former Belleville residents, Mr. and Mrs. Milton Oakley, of Benson, Michigan.

Mrs. Gurtha Walters of Church Street spent last weekend in Wyandotte with her son-in-law and daughter, Mr. and Mrs. William Allman.

Mrs. Donald Neilson of Chester, Pa., is spending some time with her sister, Mrs. Nellie Van Wormer, of Juniper Drive.

Mrs. Thomas Melville of Alva Drive has been a patient at Beyer Hospital, Ypsilanti, since having undergone recent surgery.

Mr. and Mrs. George Haft spent the week-end of Oct. 31, at Springfield, Ohio, with their son-in-law and daughter, Mr. and Mrs. Robert Jones, and family. The occasion was in celebration of the family's October birthdays.

Mrs. Alden (Nettie) Warner of Oxnard, Calif., has been the guest this past week of her sister-in-law, Mrs. Orrin R. Post, of Liberty Street. Mrs. Warner was enroute home after having spent some time with her son-in-law and daughter, Captain and Mrs. E.

W. Thomas, of Edzell, Scotland.

Mrs. Nellie Van Wormer returned home on Thursday of last week after having conducted a color tour of South Carolina, Tennessee, and Virginia.

Harry Hornkohl has been a patient this past week at St. Joseph Hospital, Ann Arbor, following a slight heart condition.

Mr. and Mrs. Henry Sager returned home last Thursday from Grand Rapids where they had been guests a couple of days of the latter's sister and husband, Mr. and Mrs. Morris Deur. While there Mrs. Deur entertained at a luncheon honoring a cousin, Miss Alberta Van Velzel of Holland, on her 84th birthday. Present for the occasion were eight cousins from Holland, Grand Rapids, and Belleville.

Recent guests of Mr. and Mrs. S. C. Pierman of E. Huron River Drive were relatives from Long Lake, N. Y., Mr. and Mrs. Norman Day.

Former Biggs Street residents, Mr. and Mrs. J. C. Robinson, now of Bristol, Virginia, are spending some time with their son and wife, the George Robinsons, of W. Columbia Avenue, and with their daughter and husband, Mr. and Mrs. Lester Hall, and family of Wexford Street.

Mrs. Robert Thompson of Belleville Road is a patient in Room 213 at Beyer Hospital, Ypsilanti, having received a hip injury recently.

Mrs. A. L. Spencer of Pontiac was a recent guest for several days of her sister and husband, Mr. and Mrs. Lewis Lester, of E. Huron River Drive.

On Sunday, Oct. 26, Mrs. Earl Smith, Expressway, and Mrs. D. W. Ross of Liberty Street, attended the Church Services and Centennial celebration at Denton.

Among the historical exhibits, arranged by Mrs. Smith was a decorative folder with the picture of the school teacher during the years of 1915 and 1961, Miss Irene Haak, now Mrs. D. W. Ross, and the names of all her pupils, some 30 in number from grades one through 8. Mrs. Ross also worked with the choir of the Denton church during those years.

Mr. and Mrs. Frank Hoag spent Tuesday and Wednesday of last week with their son, Donald and family at Jackson.

Robert Tator of High Street and Kenneth Nolf of Edison Street enjoyed a week's vacation last week in the Bahamas on a conducted tour.

Mr. and Mrs. John R. Clark of Fenton were Sunday guests of his parents, the Paul J. Clarks of Liberty Street.

Mrs. Emmer Sheats of New Boston and daughter, Mrs. Russell Wilson of Elwell Road were in Milan last Wednesday to attend the bazaar and dinner held at the United Methodist church in that city.

Mr. and Mrs. Arthur Cullin and Mrs. Cora Bradshaw spent the week-end of Oct. 24 at Litchfield, Ohio, with the Glenn Cullin family.

Mr. and Mrs. Kenneth Mericle of Denton Road made a business trip to the Kaiser-Jeep Corporation in Toledo, Ohio, last week Tuesday.

On Sunday, Oct. 19, members of the Dorcas Society of the Seventh Day Adventist church held a stork show honoring Mrs. Andrew Hamilton of Bog Road at the home of Mrs. Frank Hoag. 12 ladies were present with gifts for the little new comer. Lunch was served, the color scheme being pink.

V.B. Garden Club Attends Monroe Council's Luncheon

The Van Buren Garden Club held its second meeting of the year Thursday, October 23, at the home of the president, Mrs. Virgil Lockrow, W. Columbia Avenue.

There was a brief business meeting after which cars driven by Mrs. Joseph E. Horste and Mrs. Harry Wilkinson took the group to Monroe to attend the Fall Luncheon of the Monroe Council of Garden Clubs. The host club was the Floral City Garden Club and activities were held at the Monroe Golf and Country Club.

After luncheon, the guests were entertained by William McCreight, floral designer and speaker from the McCreight Floral Studio of Jackson. He

demonstrated the arrangement of many floral pieces with assistance from Mrs. McCreight and Mrs. Jack Morgan of the Morgan Floral Shop of Monroe. Many guests were fortunate enough to have their names drawn and were given beautiful arrangements to take home.

THE FIRST meeting for the Club year was held at the home of Mrs. Joseph E. Horste on Haggerty Road. Following the business session Mrs. Horste showed slides of the Alaskan tour which she and Mrs. F. Van Wormer had taken last summer. The interesting illustrated talk included outstanding gardens which most appealed to garden club members.

The next regular meeting of the Club will be held at the home of Mrs. Edward Kapelanski, 16355 Haggerty Road, November 25. A workshop and pot-luck luncheon will follow the business meeting.

On Thursday, October 30, a group from the club plans to attend the Yuletide Fantasy presented by the Garden Club of Dearborn.

On Thursday, November 6, the club will be represented at the Annual Meeting of District I at the Shenandoah Golf and Country Club, Walled Lake.

MISS HARRIS

November Altar Date Is Planned

The engagement and pending marriage of their daughter, Vicki Lynn, to George Robert Smith is being announced by Mr. and Mrs. Albert F. Harris, of 8701-93 Belleville Road, Belleville.

Miss Harris graduated from Belleville High School in 1969. Her fiance, son of Mr. and Mrs. David L. Smith, of 48 Starnes Avenue, Asheville, North Carolina, resides at 6200 N. Wayne Road, Westland. A graduate of Charles D. Owen High School, in Swannanoa, North Carolina, he is currently employed by Chevrolet at Willow Run.

The couple plan a November 22 wedding.

Lakeview Study Group Has Meeting

The Lakeview Study Group met at the home of Mrs. Robert Rabideau of the Expressway on Tuesday, Oct. 21. With the autumn atmosphere present, the table setting was in the harvest theme of pumpkins, fruit, and grain.

Eight ladies were present for the lesson on "Window Treatment and Choosing Accessories for the Home," which was well presented by the leaders.

The next meeting will be Tuesday, Nov. 18, at 10 a.m. sharp with hostess Mrs. Stanley Smiths, of Ozga Road, Romulus.

Methodist Bazaar Set For Tomorrow

The First United Methodist Church will sponsor its Annual Bazaar Thursday, November 6, (tomorrow) with both luncheon and dinner on the agenda. From 11 a.m. to 1 p.m. a chop suey lunch will be available for local businessmen and women as well as those interested in dining out. Then from 5:30 to 7 p.m. a ham dinner and all the fixin's will be served with tickets set at \$2. for adults and 75 cents for children.

Bazaar hours, which will be 10 a.m. to 8 p.m., will include booths featuring needlework, baked goods, Christmas decorations, attic treasures, and a toy grab bag.

Mrs. Jean Schweigert is general chairman of the bazaar; Mrs. Gladys Mast is overseeing the luncheon; and Mrs. Pat Speaks will take charge of the dinner.

The public is cordially invited to attend.

Keep Meat on Table

A strong, stable market for cattle and other livestock is the consumers' best assurance of adequate supplies of meat. It costs stockmen, like everyone else, more to do business today than 15-20 years ago; but they, unlike most everyone else, are getting fewer real dollars in return. Livestock prices which reflect a sound return on investments in feed, buildings, livestock, insurance and equipment make it possible for the industry to continue to provide consumers with the meat they want and need.

Former Romulusites Married 50 Years

ROMULUS—Former long-time Romulus residents, Mr. and Mrs. H. H. Mathews of Elk Rapids, Michigan were honored at an early Golden Wedding Celebration Sunday, Oct. 19. Dinner for the occasion was served at St. Paul's Episcopal Church in Elk Rapids.

The celebration was arranged by their four children, Miss Grace Mathews, music teacher in the Elk Rapids Schools; Mrs. Doris Schrock, also a teacher in Elk Rapids; Mrs. Aletha Summers of Romulus and Lynn of Inkster who were present with their families.

All of the Mathews grandchildren are boys and include: Lee and Robert Schrock, Dale and Glen Summers.

Many friends and neighbors were also present from Elk Rapids.

Following the dinner at church a family gathering was held at the H.H. Mathews home there.

Hiram H. Mathews and the former Grace Buckberry of Romulus were united in marriage 50 years ago, December 19 in a ceremony performed at the Buckberry residence on Huron River Drive, Romulus. The couple moved to Elk Rapids in August, 1968 after residing in Romulus all their married life.

Mrs. Mathews was honored with a corsage of yellow roses for the occasion and Mr. Mathews with a gold boutonniere.

GUESTS MOTORING north for the Gold Wedding party enjoyed the beautiful autumn coloring of the North Woods. Mrs. Mathews' brother and sister-in-law, Mr. and Mrs. William Buckberry of Belleville, his twin brother and wife, Mr. and Mrs. Lew Mathews of Charlotte were among those attending.

Also his sister, Mrs. Della Leshar of East Lansing, his sister and brother-in-law, Mr. and Mrs. Clyde Thomell of Charlotte; nephew Hugh Buckberry and two daughters of Rawsonville Road, Belleville; nephew, Edward Buckberry of Romulus, nephews Eric Buckberry and Wayne Leshar of East Lansing and their families; niece and family, Dr. and Mrs. Don Overly (former Elsie Buckberry) and four children of Bloomfield Hills, Mr. and Mrs. Richard Furman of Westland.

PTA Groups Sponsoring Hayride

ROMULUS—Imagine a brisk moonlit night in late fall, a rabbit scurries across the stubbled field ahead of the horses hooves. There are wagon loads of young people who are enjoying a hay ride, their singing and laughter echo through the still night.

After the ride they will all go to the school house for a supper and then they will join in a square dance.

How many years ago was that vignette?

It isn't in the past, it's in the future for the Merriman and Harrison PTA groups. It's going to be on Nov. 15, beginning at 7 pm at the Kind farm at 27590 Pennsylvania Road, east of Middlebelt.

Mrs. Judi Robbins, Mrs. Pat Ried and Mrs. Pat Karpouskas have been making the plans and arrangements.

"We are so excited," said Mrs. Robbins, "we can hardly wait, it's going to be such fun." Tickets for the entire evening's activities will be \$5 a couple and that will include a drawing for prizes, foremost being a turkey.

The square dance will be held at Harrison School, 14701 Harrison Road, and the square dance caller will be Robert L. McConeghy, superintendent of schools.

The menu for the supper, to be served before the dance, will be Sloppy Joe's, potato Salad, baked beans, potatochips, coffee and cider. Mrs. Robbins invited any couple wishing to join the fun to make arrangements for tickets by calling her at 941-4408 before Nov. 10.

Noted Weaver To Address Study Club

The Women's Study Club of Belleville will hold its November 12 meeting at the Harmony Lane home of Mrs. Thurston Jahr. Invited as special guest for the evening is Mrs. Arlen Linn, of Bloomfield, a noted authority and teacher of weaving.

Holding a bachelor's degree from Iowa State University and a master of fine arts degree from Cranbrook, Mrs. Linn has exhibited at the Detroit Institute of Arts, at Cranbrook, and at the National Decorative Arts Show in Wichita, Kansas.

She was in Lima, Peru last year to attend the World Crafts Council and to record different samples of the country's weaving methods on colored slides.

Using these same pictures, she will talk on the subject of weaving in Peru with "Pre-Columbian Weaving and its Influence on Contemporary Weaving" as her topic.

Mrs. W. E. Rekshan, Mrs. Bernard Boyd, and Mrs. Jahr comprise the committee in charge of the evening's program. Members are welcome to bring guests.

The food industry is nearly a 200 billion dollar business: food service represents a 41 billion dollar industry; food distribution, 73 billion; food processing, 85 billion.

STATE CLUB WOMEN GATHER—A special gift was presented to Girlstown at the annual Ingathering Saturday, November 1, by the West Shore Junior Women's Club. Club President, Mrs. John Collinger of Muskegon, (left) made the presentation—a silver tea service, punch bowl, and extra pieces—to Miss Esther Bain, Director of Girlstown, (center) Mrs. Adger Wall (second from right) of the Women's Study Club of Belleville and Miss Sharlene Tator (right), State Junior Girlstown Chairman, represented their groups at the ingathering. The Girlstown residents, the trustees, and members of the local federated clubs were hosts for approximately 170 club women from the state of Michigan who came with special gifts for "Loch Rio" and to re-affirm their support.

ROMULUS PERSONALS

Month-old Gregory Milatz Christened At St. Paul's

By Pearl Morris
Phone WH 1-1187

Month-old Gregory Robert, son of Mr. and Mrs. Robert Milatz, 11226 Sharon Street, was baptized Sunday, Oct. 26, at St. Paul's Lutheran Church, New Boston, with the Rev. Daniel Richert officiating.

Godparents of the infant are an aunt, Miss Nancy Jamison of Taylor, and Mr. and Mrs. Don Danklefsen of Ft. Wayne, Indiana, who were unable to be present for the ceremony. Afterwards a dinner was held at the home of the baby's parents.

Among the baptism dinner guests were little Gregory's grandparents, Mr. and Mrs. Earl Jamison of Cleveland, Ohio, and Mr. and Mrs. Frank Milatz of Porter Street; also Rev. and Mrs. Daniel Richert and family of New Boston. The infant was born at New Grace Hospital, Detroit, on Sept. 27, which is also his mother's birthday. He has two sisters.

A Bible verse contest was held the past quarter in the Junior Department of the Calvary Baptist Church. The youngsters were divided into two teams, the "Winners" and the "Angels." The Winners proved to be just that—the winners! Memorizing the most verses (47) was Brenda Holcomb. Debbie Morgan of the "Angels" memorized the second most (39).

The Romulus and New Boston Methodist Men's Club will sponsor a "Fish Fry" this Friday (Nov. 7) in the basement of the United Methodist Church, Olive Street, Romulus. Serving will be from 5 to 8 p.m. Admission is \$1.50 for adults and \$1 for children under 12 years. A cordial invitation is extended to the public to attend.

Mr. and Mrs. Clair Keller of Craig Street had as weekend guests Mr. and Mrs.

Stanton Coman of Cement City, Michigan. Saturday night Mr. and Mrs. Thelbert Thompson and Mrs. Lewis Thompson, all of Romulus, joined the group for dinner.

On Sunday the Kellers had as dinner guests Mr. and Mrs. James Marsh of Wayne and Mrs. Lewis Thompson of Romulus. Mrs. Lewis Thompson, Mrs. Marsh and Mrs. Keller are sisters of Mr. Coman.

Mr. L. C. Yeary is back home at 11940 Olive Street after spending 11 days as a patient at Wyandotte General Hospital in Wyandotte.

4-H Junior Leaders will hold their November meeting on Monday, Nov. 10, at the 4-H Fairgrounds near Belleville, beginning at 7:30 p.m. All 4-H Junior Leaders are invited, whether or not they have attended previous meetings.

A birthday gathering honoring twins Ronald and Rodney on their fifth birthday was held Sunday afternoon at the home of their parents, Mr. and Mrs. Julius Szabo, Jr., on Westvale Street. Their great grandparents, Mr. and Mrs. Grant VanAernum, and grandparents, Mr. and Mrs.

Julius Szabo, Sr., all of Romulus; and Mr. and Mrs. Richard Zabodsky of the Briarwood Apartments were guests. Neighbors also joined in helping the twins celebrate.

Pfc. Kevin M. Carrico is serving with the 51st Infantry of the U.S. Army in Erlanger, West Germany. Inducted into the army on March 7, 1969, Carrico completed basic training at Fort Knox, Kentucky, his A.I.T. training at Ft. Polk, Louisiana and was assigned overseas from Ft. Dix, New Jersey, on August 7, 1969. He is now serving with the Headquarters Platoon as a motor pool clerk.

Mrs. Carol E. Carrico left Oct. 31 to join her husband, Pfc. Kevin Carrico, in Erlanger, West Germany, until his tour of duty is completed.

Mrs. Carrico departed overseas from J.F.K. Airport. Her mother, Mrs. Dorothy McNutt of Middlebelt Road, accompanied her as far as New York and saw her off. Carol and Kevin were married June 7, 1969.

4-H leaders of all areas of Wayne County will meet this week Wednesday (November 5) at 7:30 p.m. at the 4-H Fairgrounds near Belleville.

Lose 10 lbs. in 10 days on Grapefruit Diet

HOLLYWOOD, CALIF. (Special) - This is the revolutionary grapefruit diet that everyone is suddenly talking about. Literally thousands upon thousands of copies have been passed from hand to hand in factories, plants and offices throughout the U.S. and Canada.

Word of its success has spread like wildfire. Because this is the diet that really works. We have testimonials on our files reporting on the success of the diet. If you follow it exactly, you should lose 10 pounds in 10 days. There will be no weight loss in the first four days. But you will suddenly drop 5 pounds on the 5th day. Thereafter you will lose 1 pound a day until the 10th day. Then you will lose 1½ pounds every two days until you get down to your proper weight. Best of all, there will be no hunger pang. Now revised and enlarged, this new diet plan lets you stuff yourself with foods that were formerly "forbidden," such as big steaks trimmed with fat, roast or fried chicken, rich gravies, mayonnaise, lobster swimming in butter, bacon fats, sausages and scrambled eggs. You can eat until you are full, until you cannot possibly eat any more. And still lose 10 pounds in the first ten days plus 1½ pounds every two days thereafter until your weight is down to normal. The secret behind this new "quick weight loss" diet is simple. Fat does not form fat. And the grapefruit juice in this new diet acts as a catalyst (the "trigger") to start the fat burning process. You stuff yourself on the permitted food listed in the diet plan, and still lose unsightly fat and excess body fluids. When the fat and bloat are gone you will cease to lose weight and your weight will remain constant. A copy of this new and startlingly successful diet plan can be obtained by sending \$2 to GRAPEFRUIT DIET PUBLISHERS, 1213 Premier Way S.W., Calgary 6, Alberta. Money-back guarantee. A Retirement Banquet

RETIREMENT BANQUET—Parishoners at St. Anthony's Catholic Church presented their retiring pastor Fr. Albert J. Folta with a Retirement Banquet on Oct. 22. The banquet was a "huge success" and a showing of "deep appreciation" for Fr. Folta's long service to the church and community. Above is shown a portion of the many guests, friends and parishoners that paid farewell to Fr. Folta, whose retirement became effective Nov. 1. He is presently residing in Dearborn.

Building Committee Formed

WILLIS — An organizational meeting of the Building Needs Committee, Lincoln Community School District, was held Oct. 30, in the Lincoln Senior High School. Fifteen members were present.

Robert Richter was selected chairman and Charles

Sargent, vice-chairman of the general committee.

Subcommittees were formed and chairmen selected. Larry Wilson was chosen as chairman of the Subcommittee for the Evaluation of Existing Buildings; Emory Garlick, chairman of the

Subcommittee for Transportation, Pupil Population Projection and Study of Sites; David Dejanovich, chairman of the Subcommittee on Financial Resources.

THE SUBCOMMITTEES will utilize all information obtained from previous community studies relative to school building projects.

Architects and other educational consultants are not involved at this time but will be called upon at a future date.

Subcommittees will meet frequently during the intervals between general sessions as the nature of their investigation and study indicates.

The general committee will meet regularly in monthly session at the high school.

The next meeting will be at 7:30 p.m., Nov. 20 in the Lincoln Senior High School, located at 7425 Willis Road.

Attending were: Tamara Baily, Ann Drouillard, Roxanne Dulecki, Rhonda Dulicki, Linda Greca, Ann Haener, Leslie Haener, Debbie Komisar, Charlene Kovach, Margaret Kubitsky, Karen Lewis, Michelle Mitchell, Cornelle Morrison, Malana Morrison, Kay Petraska, Cindy Rakotz, Ann Rogalle, Mary Kay Kacperski, Karen Schemensky, Linda Subus, Cheryl Hare, Joyce Trumbull, Dawn Weatherholt, Cheryl Wilks.

Troop 219 Has Party

ROMULUS—Brownie Troop No. 219 of New Boston held a Halloween Party Tuesday, Oct. 28. The girls came decked out in masks which they had made themselves.

Janice Dulecki is leader of the troop and Stephanie Komisar and Donna Greca, Co-leaders.

The girls enjoyed playing games and dunking for apples. Refreshments were also served.

A study by the Cornell Aeronautical Laboratory showed that universal use of seat belts when traveling in motor vehicles could save 8,000 lives a year in the United States, reports the magazine "Motor West."

U.S. Aid, Research Urged At Trash Disposal Hearing

Federal financial help and consolidation of all federal environmental programs were called for by a spokesman for the Wayne County Board of Supervisors at a U.S. Senate hearing on the problem of trash disposal.

Supervisor Robert L. Tripp, D-District 22, testified on behalf of the County Board at a hearing held in Detroit by Senate Subcommittee on air and water pollution.

The hearing was conducted by Sen. Thomas Eagleton, D-Mo., Oct. 28, in the City-County Building auditorium.

SPOKESMEN FOR the auto companies, the United Auto Workers Union, the State of Michigan, the City of Detroit and other organizations testified.

Tripp urged passage of a measure before the Senate, "the Resource Recovery Act of 1969," which would establish a program of federal research and financial assistance in the field of trash disposal.

He urged that emphasis be given to developing ways to reuse trash such as cans, bottles, paper, and junked cars.

Tripp said there are 62 environmental and natural resource programs in nine agencies that should be combined under one program.

SPOKESMEN FOR the State of Michigan opposed direct federal grants to local municipalities. They maintained that the trash problem should be approached at the county or regional level, with the State setting priorities.

Moose Lodge Notes

by George W. Steger

The Belleville Loyal Order of Moose, Belleville Lodge No. 934 held a very successful Halloween Party on Friday, Oct. 31, at the Moose Home.

This was our annual Halloween Party for the children of the community and even though the weather was not all that could be desired there were still over 1100 hot dogs, etc., served.

We owe a great deal of thanks and appreciation to the merchants and businessmen of the area who have so generously helped us by their donations of cash and merchandise to make this such a success each year.

Also a big hand to Chairman Lester Riney and his committee.

On Saturday, Nov. 1, there was a Halloween Party at the Moose Home for the members and their friends with prizes for the best costumes. A great time was had by all who attended.

Tonight, Wednesday, Nov. 5 there will be an officers meeting at the Moose Home at 7 p.m., also a joint officers meeting.

Friday, Saturday and Sunday, Nov. 7-8-9, will be Mid-winter Conference at

Ypsilanti. The guest of Honor will be Jaye Stoehr from Mooseheart. Belleville Lodge would like to have a good representation there.

On Saturday, Nov. 8, there will be a dance at the Moose Home with music by "Joe Seroka."

On Saturday, Nov. 22, there will be an Enrollment at the Moose Home at 8 p.m. A dinner will be served from 5 to 7:30 p.m. After the Enrollment there will be a "Turkey Trot Dance" with music by "Ted Lenard."

Brother Carl Higgins' mother is in Annapolis Hospital. Our condolences to the family of Brother George Gillmer, who passed away recently.

In some ways, electric heat is better than warm summer sunshine. For one thing, it's even the year around. And it stays that way during weather changes. Also, with electric heat, drafts and cold floors become a thing of the past.

With flameless electric heat, you'll never wake up in the morning feeling dried out.

You even get an operating cost guarantee. In writing.

If you'd like a free estimate of installation and operating cost, we'll arrange for an Edison Approved Electric Heat Contractor to call on you. Naturally, there's no obligation.

Convert to electric heat. Winter will never be the same.

DREAM HOME YOUR HOUSE WITH ELECTRIC HEAT.

EDISON

"Electric heat is like having warm summer sunshine inside your home," said Mrs. Noah Cochreum of Troy.

Outdoor Group Reports

BELLEVILLE-The Board of Directors of the Huron Valley Conservation Association wishes to remind the membership that the association is working on its biggest event-the snow-mobile races-which are to be held in February, 1970. All the help that can be received will be needed.

More information will be available at the next membership meeting, Monday evening, Nov. 10, 7:30 p.m., at Rogalle's Lounge Banquet Room, located on Haggerty Road at I-94 Expressway.

Nomination chairman, Wendel Howell also states that nominating ballots for the coming year should be returned by the next meeting. Any member who wishes to pay his 1970 dues can do so now, by mailing them to Gordon Belaire, membership secretary.

Romulus Area PTA Hears Reports, Plans

ROMULUS-The committee selected by the Romulus Area PTA Council to act as observers for the Homecoming Queen election, reported that five community representatives had been present during the balloting. They had also assisted in completing the final count.

The representatives were: Mrs. Theresa Allen, Mrs. Mabel Sparkman, Mrs. Clara Williams, Mrs. Fran Petre and Mrs. Judi Robbins.

THEY REPORTED that they felt the election was held in an efficient and impartial manner. They also said they were in favor of having community and PTA participation in the Homecoming selections.

The committee expressed approval of the publishing of the schedule of events and for the invitation to the community to take part.

Comments were made concerning the high quality of the parade floats and the obvious enthusiasm for the young people.

District Scouter Hartwick Gets Silver Beaver Award

BELLEVILLE--The Annual Meeting and Recognition Dinner for Huron District was held on Monday, Oct. 27, at St. Johns Lutheran Church in Taylor, Mich.

Adult Leaders of Scouting in the area and their wives enjoyed a fine program during the evening including a review of the past year's activities, recognition to Unit Leaders and other Scouters for service and achievement during the year, election and installation of District Officers.

Ceremonies, fun and fellowship provided an inspiring program.

The main speaker was Joseph H. Brinton, Scout Executive of the Detroit Area Council, Boy Scouts of America.

*** OFFICERS ELECTED to guide the Huron District program for the coming year were: Gary Arnold, 20535 Fairview Drive, Dearborn Heights, who will serve as District Chairman; Joseph Maulding, 25415 Haskell, Taylor; and Thomas Warner,

70 Bedell Street, Belleville, both of whom will serve as vice chairman and George Haft, 328 Church, Belleville, who was recommended as District Commissioner.

The distinguished Silver Beaver Award was presented to Larry Hartwick, 22080 Elwell of Belleville an outstanding District Scouter by the Detroit Area Council, Boy Scouts of America.

*** HARTWICK HAS been a Scouter since 1958 serving as Committee Chairman of Troop 231 sponsored by

Trinity Episcopal Church of Belleville. He has been active in District activities and has served as a Merit Badge Counselor.

The presentation was made by George W. Williams, 542 Lakeland in Grosse Pointe, a member of the Executive Board of the Detroit Area Council.

In making the presentation, Williams said: "The scouter and gentleman whom we wish to honor this evening has made a truly remarkable contribution to scouting in his troop and to the youth of this community.

"A scouter since 1958, he has been instrumental in guiding the program of a most successful well-organized boy scout troop. He has been very active in lending his talents to district events and is well respected by his fellow scouters.

"Having spent several years as a member of a troop committee, he has also devoted much of his time serving as a district merit badge counselor.

"He is an active member of his Episcopal Church. Various civic affairs in his township have had the benefit of this man's talents and energies. For many years he has served as a volunteer fireman. He is self-employed.

It is a privilege and an honor, on behalf of the National Council of the Boy Scouts of America and the Detroit Area Council, to present scouting's distinguished Silver Beaver Award to the troop committee chairman of troop 231 of Belleville. Larry D. Hartwick.

SILVER BEAVER AWARD--The distinguished Silver Beaver Award was presented to Larry D. Hartwick, of 22080 Elwell Road, for "a truly remarkable contribution to Scouting in his troop (Troop 231) and to the youth of this community." District Scouter Hartwick is shown with Mrs. Hartwick at the Annual Meeting and Recognition Dinner for Huron District held Oct. 27, in Taylor, Mich. 30 belle. cutline

V B Approves Rezoning

BELLEVILLE--A proposed 15-house subdivision on approximately a 14-acre land site, located at Martinsville and Hull Roads, has been approved by the Van Buren Township Board.

A rezoning of the area from agriculture to residential was previously recommended by the Van Buren Planning Commission.

Lyle Foreman of Belleville, petitioner for the rezoning change, read a communication received from the Wayne County Board of Health stating that it would be permissible for Foreman to build private sewage disposal systems for the subdivision.

Board approval followed.

*** ANOTHER REZONING matter, that of Van Buren Investment Company, was approved by the Board.

The firm sought a change

from residential to multiple residential and commercial on a 78-acre land parcel, on the corner of Haggerty and Ecorse Roads.

The Board approved this rezoning request after Edward C. Stoelton, township supervisor, and Trustee Joseph Hogan cited the need for multiple residential housing because of the increase in Industrial Expansion.

Paul J. Cronk Is At Evangel

BELLEVILLE--Paul James Cronk, son of Mr. and Mrs. Arvel R. Cronk, 51074 Mott Road, is among the 977 collegians enrolled at Evangel College, Springfield, Mo., this fall.

A senior, he is majoring in psychology. He is a graduate of Grass Lake High School.

FOR OUTSTANDING ACHIEVEMENT--Major Leo J. Sheehan (center) chats with Col. Dale J. Flinders, commander of the Air Force Cambridge Research Laboratories, L.G. Hanscom Field, Bedford, Mass after the Colonel presented him a first oak leaf cluster to the Air Force Commendation Medal in ceremonies recently. Sheehan's wife, the former Marie Louise Stockwell, daughter of Mr. and Mrs. Chalmer (Chum) Stockwell of 7133 Belleville Road, and five of the six Sheehan children look on.

Honors Major Leo Sheehan

BELLEVILLE--Major Leo J. Sheehan, son of Mr. and Mrs. Charles J. Sheehan, 11 Hartwell Ave., Littleton, Mass., was presented with a first oak leaf cluster to the Air Force Commendation Medal in ceremonies recently. Sheehan's wife, the former Marie Louise Stockwell, daughter of Mr. and Mrs. Chalmer (Chum) Stockwell of 7133 Belleville Road, and five of the six Sheehan children look on.

August, 1968 to April, 1969.

*** DURING THE period, the major directed the operations of a specially instrumented C-130 flying laboratory, mobile ground equipment, and personnel.

The major is a project officer in AFRL's Optical Physics Laboratory. He

graduated from Arlington (Mass.) High School in 1951 and the United States Naval Academy in 1956.

In addition, he received the M.S. degree in electrical engineering from the University of Illinois in 1962.

Major Sheehan and his family reside at 21B Scott Circle, Bedford, Mass.

LEGAL NOTICES

To the Supervisor and Clerk of the Township of Van Buren, Wayne County, Michigan.

Sirs: You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did, at a meeting of said Board held on October 8, 1969, decide and determine that the certain streets described in the minutes of said Board should be County roads under the jurisdiction of the Board of County Road Commissioners. The minutes of said meeting fully describing said streets are hereby made a part of this notice, and are as follows: Minutes of the regular meeting of the Board of County Road Commissioners of the County of Wayne, Michigan, held at the Board's offices, 7th Floor, City-County Building, Detroit, Michigan, at 9:00 a.m., Eastern Standard Time, Wednesday, October 8, 1969. Present: Chairman Kreger, Vice-Chairman Berry, and Commissioner Neudeck.

*** Commissioner Neudeck moved the adoption of the following resolution: BE IT RESOLVED by the Board of County Road Commissioners of the County of Wayne, Michigan, that it hereby accepts the dedication to the use of the public of the following described roads and they are hereby taken over as county roads and made a part of the county road system of the County of Wayne:

All of McBride Avenue, Jackson Court, Van Buren Lane, and Arthur Buchanan, Fillmore, Jackson, Lincoln, Pierce and Van Buren Streets as dedicated to the use of the public in Van Buren Estates, a subdivision of part of the E. 1/2, Section 14, T. 35., R. 8E., Van Buren Township, Wayne County, Michigan as recorded in Liber 91 of Plats on Pages 95, 96, 97, 98 and 99, Wayne County Records, constituting a total of 2.397 miles of County Roads.

The motion was supported by Commissioner Kreger and carried by the following vote: Ayes: Commissioners Kreger and Neudeck. Nays: None. Commissioner Berry abstained from voting.

*** THIS NOTICE IS GIVEN UNDER AND BY VIRTUE OF ACT NO. 283 OF THE PUBLIC ACTS OF 1909 AS AMENDED. In testimony whereof, I have hereunto set my hand at Detroit, Michigan, this 16th day of October, A.D. 1969.

VAN BUREN TOWNSHIP BOARD MINUTES

Minutes of Meeting
September 23, 1969

The meeting opened with the Pledge of Allegiance and was called to order at 8:00 p.m. by Supervisor Stoelton. Board members present were: Stoelton, Hogan, Hink, Birk, Domcik, Maton, Deputy Clerk Pence; also present were Attorney Hopson, M. Levine, township engineer, secretary Brown and 18 citizens. Absent was Clerk Payne.

A motion by Domcik, supported by Hink, to approve the Minutes of September 9 as presented. Carried unanimously.

Correspondences were read and acknowledged as follows:

Mr. Stoelton read the various coverages provided in an insurance policy for each volunteer fireman and policeman in the township. The policy coverages and premium rates were submitted by the Burnham and Flower Agency Inc. Mr. Stoelton stated that this information will be given to our insurance consultant Henry Matulewicz and that the board should act on his recommendation.

Romulus Township sent a letter to the Van Buren Township officials opposing House Bill 3734; they would like all township supervisors to maintain registration records in their own offices as in the past. Motion by Hogan, supported by Maton, that we support the resolution from Romulus Township on the voter registration bill and that we send a letter to all our representatives in the state.

Motion carried. A motion made by Hink, supported by Hogan, that the Treasurer's office be permitted to purchase an IBM Selectric typewriter for office use. Carried unanimously.

Regarding the W-2 Contract, a line was put in on the North Service Drive of Ecorse Road and the South Service Drive of I-94. The township paid for the lines out of construction monies and was reimbursed this date from the Wayne County Road Commission.

A motion was made by Hogan, supported by Domcik, that the Board comply with the Van Buren and Wayne County Planning Commissions on the recent rezoning of an area south of the I-94 service drive on

Rawsonville Road from R1C, single family residential, to local business. Carried unanimously.

The Supervisor read specifications for 300 water taps and also specs. covering an emergency contractor for the township. Motion by Maton, supported by Domcik, that we submit the specifications for bids in the local newspapers. Carried unanimously.

A planning consultant representing Parkins, Rogers and Associates, Inc. was present to explain the proposed planning contract for the township. Motion by Maton, supported by Birk, that we retain Parkins, Rogers and Associates on a monthly basis for one year. Motion carried.

A correspondence was read regarding a retainer fee increase for the legal firm of Berry, Hopson, Francis and Mack from the present fee to \$13,500 effective October 1, 1969. The legal firm had not increased their fee since 1965. Motion by Hogan, supported by Hink, that we comply with the request of the legal firm of Berry, Hopson, Francis and Mack for their legal retainer increase. Motion carried.

Motion by Maton, supported by Domcik, that we order a smoke ejector for Fire Department No. 2 and a Scott Air Pack for Fire Department No. 1. Carried unanimously.

Motion by Maton, supported by Hink, that we accept the quotation of \$375.00 per month for the cleaning services provided by Linfel Cleaning. Motion carried.

A motion made by Hink, supported by Birk, that we amend the existing No Hunting Ordinance to read no hunting 1,000 feet from any building instead of the present 600 feet regulation, to be effective immediately upon publication. Carried unanimously.

Detroit Edison Company has again asked the township if they would consider purchasing the lake; they do not want to sell to a private individual. They are asking \$400,000.00 for the lake. The overall tax on the lake is approximately \$13,000.

Motion made by Domcik, supported by Birk, that we accept the Water Department financial statement as presented. Carried unanimously.

Motion by Maton, supported by Birk, that we accept the Water Commission minutes as presented. Motion carried.

A motion made by Hink, supported by Maton, that we pay the bills as per vouchers. Motion carried.

A motion made by Hink, supported by Hogan, that authorization for a change order be granted in order that the work can begin on the repaving of Ecorse Road. Mr. Levine stated that Ypsilanti Asphalt will do the job in accordance with our specifications at the price of \$20,300. Angelo Diponio, the contractor who installed the sewer line on Ecorse Road, will pay for one-half of the repair of the road. Carried unanimously.

Motion by Hink, supported by Domcik, that the meeting be adjourned. The motion was carried and the meeting adjourned at 10:00 p.m.

Erma J. Payne, Clerk
Van Buren Township

DATE 10-14-69

Minutes of Regular Meeting
October 14, 1969

The meeting opened with the Pledge of Allegiance and was called to order at 8:00 p.m. by Supervisor Stoelton. Board members present were: Stoelton, Hogan, Domcik, Birk, Maton, Deputy Clerk Pence; also, Attorney Hopson, Engineer Levine, Secretary Brown and 17 citizens. Absent were Clerk Payne and Hink.

Motion made by Birk, supported by Hogan, to accept the Minutes of September 23 as presented. Motion carried.

A correspondence was read from Senator Faust notifying township officials of a public hearing to be held Thursday, October 16 at 8:00 p.m. at the Westland City Hall regarding the governor's recommendation on the Senate Education Bill.

The Wayne County Department of Health sent a letter to the township notifying them of their proposed health program whereby children, kindergarten to third grades, should be immunized against Rubella (German measles).

Supervisor Stoelton, Attorney Hopson, Engineer Levine, met recently with reps. of Argonaut Realty, which represent G.M., and Mr. Kubiske of Ypsilanti as well as the engineer for the City of Detroit. Mr. Stoelton stated that at the present time Ypsilanti Township would like to get into the City of Detroit water program.

The Township of Redford sent a letter to Van Buren Township announcing a luncheon meeting to be held in Westland on October 22. The Chiefs of Police from 15 communities are invited to the meeting to discuss entering into a mutual aid pact, including the training and equipping of a task force.

A motion made by Hogan, supported by Domcik, to support the resolutions received from the townships of Northville and Plymouth and the cities of Livonia and Rockwood opposing the adoption of the tax exempt bond for municipalities. Carried unanimously.

Mr. Bob Wilkerson sent a letter to the township donating a large blue spruce tree from his property. Mr. Stoelton was to check into the cost of moving and planting the tree in front of the township office building; board members suggested we stay under \$50.00.

Motion by Maton, supported by Domcik, that we sign a contract with Parkins and Rogers, consulting firm for the township planning commission, for one year which can be terminated at any time within 60 days at our discretion. Motion carried.

Regarding the Florence Poniatowski sand removal project, Mr. O'Brien has checked the topo, all low points on the property have been filled in, and sand removal can begin on the remaining five acres of land in order to complete the job, after usual fees are paid.

A recommendation was made that the township pay \$20.00 per man attending the initial training sessions of the Western Wayne County Task Force.

Mr. Levine explained the method of reading new type water meters that the water and sewer commission have for evaluation at the present time. Errors could be avoided in meter reading and vandalism would practically be impossible. The commission asked for price

quotations on the meters.

Nine bids were received for 300 water and sewer taps as well as emergency water service and repair in the township. They were opened and the specifications were read as follows: Sumpter Trenching, Belleville, on 300 water taps; Wills Excavating, Westland, for emergency service; Wago Products, Rockwood, for both emergency service and 300 water taps; Huron-Clinton Construction Company, Romulus, two bids; Standard General Contracting, Inkster, for 300 water taps; Ackron Contracting, Belleville, water taps with emergency contracting service; and Rite-Way Excavating, Belleville, emergency service and water service taps. A motion made by Domcik, supported by Hogan, that the township engineer review each bid, draw up a chart with all specifications and prices, and submit for recommendation at a special meeting to be held Tuesday, October 21, 1969. Carried unanimously.

Motion by Maton, supported by Birk, that we grant a kennel license to Mr. Neil McAllister, 45155 McBride. Motion carried.

A motion by Hogan, supported by Birk, that the township engineer check into the cost of an 8" line to be installed to service six homes on West Huron River Drive where the township and city limits meet. Specifications and recommendation to be submitted at our next meeting. Carried unanimously.

Motion by Domcik, supported by Birk, that we accept Fire Departments 1 and 2 reports as presented. Motion carried.

Motion made by Maton, supported by Hogan, that we accept the dog warden report as presented. Motion carried.

A motion by Domcik, supported by Hogan, that we accept the building department report as presented. Carried unanimously.

Motion by Domcik, supported by Birk, that we pay the bills as per vouchers. Carried.

A motion made, supported and carried, the meeting adjourned at 9:45 p.m.

Minutes of Special Meeting
October 21, 1969

The meeting opened with the Pledge of Allegiance and was called to order at 8:00 p.m. by Supervisor Stoelton. Board members present were: Stoelton, Hink, Domcik, Birk, Hopson, Hogan, Secretary Brown and eight citizens.

The meeting was called for two purposes; to analyze with the township engineer the bids submitted to the township for 300 water and sewer taps and constant emergency repair service. Mr. Levine submitted charts showing specifications and bids of all the contractors whose bids were received, opened and read at the regular meeting October 14, 1969. Wills Excavating and Wago Products were compared. Of the two it was determined that Wills Excavating would do emergency repair work without a retainer and he was highly recommended from officials of Westland. A motion by Hink, supported by Hogan, that the contractor for emergency repair service, including sewer taps, be awarded to Wills Excavating Service. Motion carried unanimously.

Mr. Levine presented the summaries of bids for 300 ¾" and 1" water taps; 150 short and 150 long. According to our engineer's computations, Riteway Excavating was the low bidder on the short and long taps. A motion made by Hogan, supported by Hink, that Riteway Excavating be awarded the long and short water tap service. Carried unanimously.

Mr. Bill Harris, who does all plumbing & heating inspections for the township was present to explain a problem he has had for some time in regard to the permits being unavailable for his signature after inspections in order for the township to reimburse him. The Board Members decided to meet with Mr. Harris and several township officials in order to negotiate inspections already completed, money due Mr. Harris; and what will be done re future sewer permits.

A motion by Maton,

NEW FACILITIES—Richard and William Hook show off their new cleaning facilities which opened for Business on Monday, Oct. 27 in Wayne. The new modern equipment, the latest in cleaning techniques, is also being used as a model for other cleaning establishments throughout the country. Belleville Kiwanis Meets Secondary Teachers

BELLEVILLE HIGH CHORALE presented an interesting and entertaining program of song at the annual get-together of Kiwanis and Secondary Teachers of Van Buren Schools. The choral group are shown rendering one of their many selections. In the foreground are a portion of the many guests that attended the affair.

WELL DONE—Entertainment at the Kiwanis's dinner-meeting hosting the Secondary Teachers of Van Buren Public Schools held Oct. 28, at Rogalle's Lounge drew considerable amount of applause. Above we find Lawrence Pink, Kiwanian, showing his appreciation.

Canvasser Candidates Are Sought

ROMULUS—The Romulus Community School District is seeking candidates to fill two four-year terms on the Board of Canvassers, Robert L. McConeghy, school superintendent, announced.

Applications for the two terms that start Jan. 1, 1970, are now being received.

Applications are available at the Board of Education office, 11401 Olive Street,

until Nov. 17, deadline for filing. Davis B. Draper, school board secretary, stated.

Qualifications are that the applicants be qualified and registered voters of the School District. And they must state political party preference.

One will be appointed from each of the major

parties. Members chosen for the Board of Canvassers served without compensation.

Book Sale Money Awaits Students

NEW BOSTON—Many former Huron High School students have not picked up the money from the sale of their used books, it was announced.

Glenn End of Road for Belleville

YPSI TAMES TIGERS

The long, dreary football road ends for Coach Jim Richendollar and his Tigers Friday night at Wayne Memorial High School where Belleville is scheduled to meet nonleague rival, John Glenn at 8 p.m.

The Tigers, losers to Ypsi last week, hope to wind up the season with a victory over the Rockets who also have had more than their share of problems winning this year.

Kickoff for the nonconference foes is 8 p.m.

Ypsilanti scored on the first play from scrimmage and went on to smother

Belleville's offense in smashing the Tigers, 27-0, before a large disappointed Belleville crowd Friday night.

The visitor's aggressive defense completely crushed the Tiger attack, holding them to a mere 63 total yards, as their offensive unit controlled the ball throughout most of the game.

Ypsi started off on the right foot when quarterback Lance Alward faded back on the first play of the game and lofted a long aerial toward his

sprinting end Gary Bickley. Defensive back Ed Gielinski tipped the ball, but it fell right into Bickley's hands and the fleet end ran into the endzone for the score.

Larry Merritt, who played a very strong defensive game for the Tigers, blocked the extra point kick and Ypsi led, 6-0.

The teams exchanged the ball about three or four times before Ypsilanti scored again. Quarterback Alward again hit

Bickley, this time with a 35-yard aerial, to set up sophomore halfback Rufus Powell's four-yard jaunt into paydirt. Rick Coker added the extra point kick and Belleville trailed, 13-0.

Just before the half, Ypsi's sophomore slotback, Bob McSpadden, ripped around right end for 18 yards for the visitors' third touchdown. McSpadden, who gained 61 yards in five carries, was very impressive as he zig-zagged his way through the Tiger defense. Coker added the

extra point and the visiting Ypsi eleven held a comfortable 19-0 halftime lead.

Belleville, although officially gaining 56 yards rushing, lost much ground trying to pass when Wenzel was nailed behind the line. This lost yardage trying to pass is subtracted from the running game.

But still, Belleville couldn't get untracked against the stone wall of Ypsi. Mike Fant ran for 33 yards and Garrade Pettus was held to 32. The Tigers moved only 7 yards through the air during the game.

After stopping Ypsi cold during the third quarter and holding them scoreless, Belleville finally gave up a fourth touchdown on an explosive punt return in the last period. Rufus Powell gathered in the punt on his own 11 yard line and ghosted his way 89 yards through sprawled Belleville tacklers to up the score to 26-0 and Coker added the point to round out the scoring for the night.

(Continued on 2nd Sports)

to the offensive game with 62 yards on 12 tries.

The Chiefs, however, messed up their chances to get on the scoreboard on other occasions when they handed over the ball inside the Grosse Ile 20 due to slippery fingers.

Huron fumbled three (Continued on 2nd Sports)

2 In A Row for Huron

Hey, would you believe two-in-a-row for Huron gridders? What's that freshman coach Lee Smeltzer trying to pull on Chief fans? Produce a winner, maybe!?

None of the kids or fans in New Boston can recall when Huron has won two straight in football, but that's what Huron did last week with its last minute 7-0 victory over Grosse Ile.

"I'm tremendously pleased," said Coach Smeltzer, who will round out his first year as head coach next week when the Chiefs

clash with their final league rival, Flat Rock. "It's real nice to win one and I think these boys will be tough to stop now that they have had their second dose of victory."

The Chiefs turned back Harper Woods last week in a nonleague contest and beat Grosse Ile on Glenn Dregansky's four-yard, off tackle TD sprint with 45 seconds left on the clock.

It also was the Chiefs' first league win since establishing themselves in the Huron Conference a year ago. It broke a 13-game losing streak.

But much of the plaudits must go to defensive halfback Keith Kentala who actually stole the ball out of the hands of a Grosse Ile end at the Huron five-yard line and carried it back to the 21 where the Chiefs began their successful drive.

Quarterback Butch Suemnick hooked up with Dregansky on a 25-yard toss for one of the eight plays that took the Chiefs over the goal line while Tom Umin, who sparkled on defense, kept that drive alive with a couple of excellent first down runs.

Alongside of Umin, defensive tackle Jack Gracia and Kentala shared the defensive spotlight. Gracia had 10 solo tackles, one of his best performances of the season.

By Tom Mooradian

A Conspiracy Against Coaches

Coaches of the area unite! You have nothing to lose but your games.

There is a sinister plot brewing in some far off land called Hawthorne Valley and if we don't spill the officiating association's caldron, inevitably their caustic verbiage may destroy our inalienable right to criticize ump's and refs. And, even worse, we would have to kowtow to the very ground upon which a referee walked.

The plot came to light when I received a letter addressed to Mr. K. White, athletic director at Inkster High School. (No, I'm not intercepting Kam's mail these days. A copy of the letter was also forwarded to the ANP sports desk, for some strange reason.)

The letter, signed by Jerry Mulcrone and Pat O'Neill, was also laterally to Mr. A.W. Bush, State Director of Athletics; Mr. E. Baum A.D., Romulus High School; and Mr. Mooradian, B.C., Wayne Eagle. (That B.C., of course, is ours.)

Since we wanted the coaches and the athletic directors to read the letter first, we therefore, will defer our answer until we get comments from these people in the know.

The letter reads:

"On October 9, 1969 an article that appeared in the 'Wayne Eagle' weekly newspaper was called to our attention. As we are sure you are aware in 'Mooradian's' sport's column (attached) your head football coach, Mr. S. Mosley, was quoted extensively about the Inkster-Taylor Center football game in particular and high school football officiating in general.

"All four officials assigned to that game have outstanding reputations in the Metro area and indeed throughout the State. We know first hand of their excellent reputation as they are members of the same officials association as we are (Wayne Suburban).

"On October 31, 1969 we are scheduled to officiate the Romulus-Inkster game at Inkster. The attitude of Mr. Mosley leaves us no alternative but to refuse to honor that commitment. We take this action with deep regret because as President and Treasurer of Hawthorne Valley Officials Association we are continually reminding our members and especially the new, young members the importance of fulfilling their contracts. Further we have worked at your school for several years without incident while receiving the necessary support and respect.

"However, when a head coach or school administrator lends himself, for obviously personal reasons, to publicly refute authority in athletic contests, as Mr. Mosley did, he himself jeopardizes the most important lesson he was hired to teach, namely good sportsmanship to the young men and women.

"In view of this incident we are convinced Inkster has forfeited its right to our services with this arrogant anti-official attitude.

"It would probably be possible for us to get acceptable substitutes for our assignment. However, we could not in good faith subject our brother officials to accept assignments in such an atmosphere.

"We would be happy to pay you the specified penalty, but as the contracts we signed (attached) shows you did not choose to fix a fee. Because this incident has just recently occurred we believe that the two weeks or better remaining before the game will be sufficient for you to get replacements for us.

"We would also like to point out that although the third official (Mr. C. Conn of Farmington) assigned on October 31, has already gotten a replacement for himself, he completely concurs in this letter.

"Should you have any questions or comments concerning this matter feel free to contact either of us."

Jerry Mulcrone

Pat O'Neill

A FIRM GRIP-In control of the situation is Willow Run's Wilbert Gardette (80) who has this Romulus runner in his clutches. Romulus dropped this contest and six others like it this season. Their only hope for victory now is Robichaud whom the Eagles will play Friday afternoon at 3 p.m.

Curtains Fall on Little League Play

Under the lights at Belleville High, there's where Romulus Little Leaguers will wind up the 1969 football campaign. And, their nonleague host, Belleville, is eager to meet them.

The two neighborly rivals clash Saturday afternoon with the freshmen teams hitting the field at 4 p.m. They'll be followed by the Junior Varsity and Varsity Squads.

Romulus wound up its competition in the Western Junior Football League last week by managing two of three victories from Garden City's Tigers.

Last Chance For Romulus

This is it for Romulus head football Coach George Pratt and his Eagles. If they're going to pull out of their nosedive, then Friday's their last chance.

There are no more Fridays on their schedule. This Friday Romulus will contend with an ailing, winless Robichaud who'll be in town at 3 p.m.

A victory over the Bulldogs would enable the Eagles to wind up the 1969 campaign on the winning side of the record book.

But, Robichaud, which came into the game a year ago under similar circumstances pulled an upset, 7-6, over the Eagles and the Canines, underdogs again, may have the psychological edge, for whatever that may be worth.

Inkster quarterback Darryl Burroughs fired four long touchdown passes over Romulus' porous pass defense in leading his Vikings to a 36-0 romp over the Eagles Friday afternoon.

The strong-armed field general connected on four of the scoring bombs in the first half to give the best squad a comfortable 30-0 bulge and tailback Mike Barnum rounded out the Inkster TD explosion with a two-yard blast around right end in the last quarter.

Romulus got a taste of things to come when Burroughs lofted a 35-yard pass on the third play of the

game and end Levold Adams hauled it in behind the Eagle secondary and ran untouched for the score. The extra point run failed and Inkster led, 6-0.

Romulus marched right back down the field after the ensuing kickoff, getting as close to Inkster's goal line as it did the entire game. The Eagles started on the Vikings' 40 yard line when end Frank Nesbit returned the boot 27 yards. Dave Brown ran for five yards and end Bruce Jackson took quarterback Chris Ginski's 12-yard pass to the 20 and a first down.

With Romulus coach George Pratt sitting out two or three of his regular defensive players for missing practice during the week, Inkster exploited the newcomers to score quickly again. Burroughs hit halfback Dennis Rogers for 29 yards on a down-and-out pattern to the left sideline and Rogers scampered in for the score. (Continued on 2nd Sports)

But four consecutive plays failed to gain and Romulus was done for the day, although they didn't realize it.

Calandrito, Mr. Clinch Head DRC Nominees

Calandrito, a virtually unknown 4-year-old colt, until he won the famous \$100,000 "Michigan Mile" on October 4, and Mr. Clinch, a Kentucky-bred 3-year-old, whose front running consistency has made him the darling of the fans, are among the 36 nominated for the \$30,000-added Finale Handicap that will be run Saturday (Nov. 8) climaxing Michigan's thoroughbred season.

M.T. Berry's South American import (Calandrito) will have to travel a mile and three-sixteenths in this contest after establishing a new track record of 1:47 2/5 in capturing the "Mile", which is actually a mile and an eighth.

Poplar Hill Farm's unquestioned king of the

DRC 3-year olds, Mr. Clinch, already has scored local triumphs in the Seaway Stakes, Mile Trial Handicap and the Detroit Handicap over the DRC racing strip. Even though he was the only 3-year-old in the field, the colt also was second choice in wagering of 25,000 patrons for the Michigan Mile. This turned out to be Mr. Clinch's only non-winning performance of the season here as he finished fifth.

For the entire year he holds nine wins in 14 starts, including stake victories in the Minuteman and Rosemont Handicaps, in Philadelphia, before being brought to Detroit in August.

Foremost among the campaigners nominated to go

against these top two are: Standen Stable's "Fall Fury", winner here of the Gold Note Handicap. Paul Ternes' pair of Michigan favorites, "Campion Kid" and "Maize 'N Blue", Elias Brothers' J.P. McCarthy, and Cherub Stable's "Make it Platinum", and Woodside Stud's "Spring Double."

The Finale will be the 21st stakes event presented by the DRC for its 90-day 1969 meeting, a season which has seen total purse distribution reach the \$3 million mark.

As the track approaches the end of its first season under the direction of the newly-formed Detroit Racing Association, it can point to increases over the 1968 record both in attendance and pari-mutuel handle.

Belleville, Romulus Jr. Highs Tie

Romulus Junior High gridders were 11 seconds away from posting a victory over their counterparts from Belleville and let the victory slip from their hands.

The Eagles, going ahead on a third quarter touchdown by Mike Darden, were forced to settle for a 6-all tie when Belleville scored from inside the 10.

Darden, who has six touchdowns for the season, stunned Belleville with an 89-yard "quarterback sneak" to break the scoreless deadlock.

Belleville threatened on three separate occasions, moving to the two and three yards but the Eagles, led by defensive captain Mike Huber and Herb Miller, were able to hurl back their opponents.

Romulus wound up the season with a 2-1-2 won-lost-tied record.

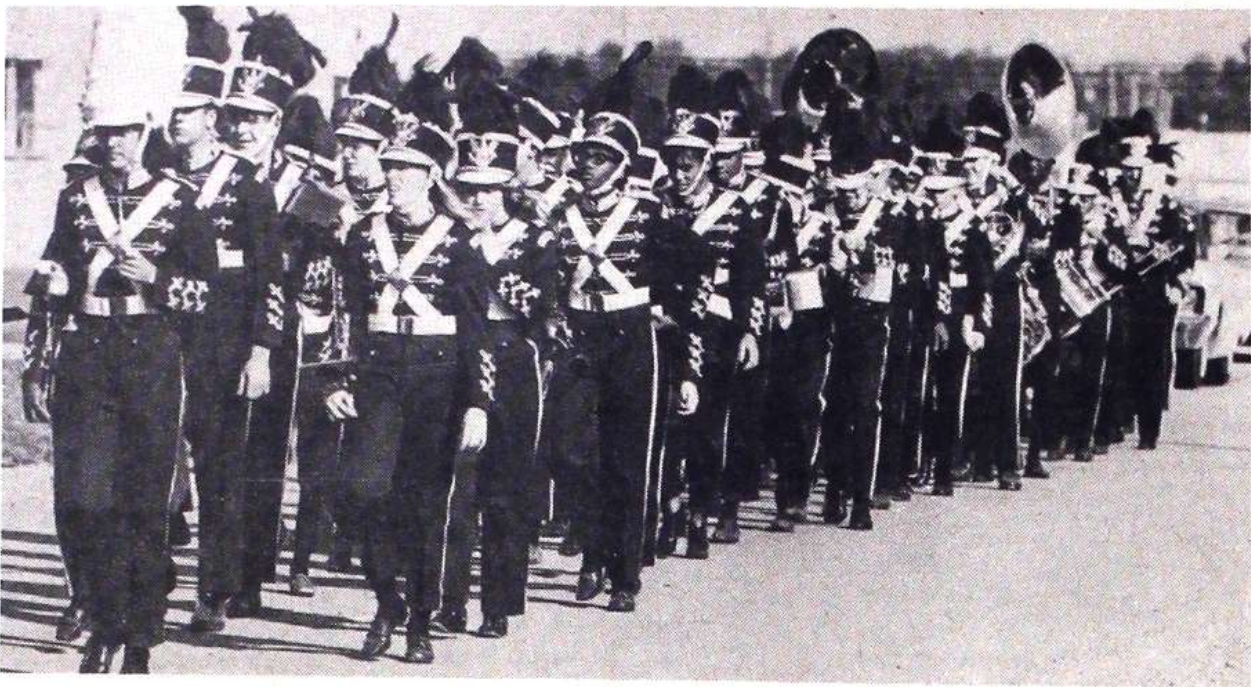

2 In A Row

(Continued from 1st Sports) times when poised to break the scoreless deadlock.

Barely out of the cellar with a 1-4-1 record, the Chiefs wind up the 1969 campaign Friday night at Flat Rock.

Would you believe three-in-a-row for Huron and Coach Smeltzer?

Miracles have happened, you know!

THEY'VE GOT RHYTHM-Led by drum majorette Lucy Landine, Romulus' school band picks up the tempo and heads for the gridiron where the Eagles are busy these days trying to win football games. And if you hear any sour notes, it won't be from Gilleon Pettway Jr.'s band.

End of Road

(Continued from 1st Sports)

Ypsilanti's evenly balanced attack ground out 111 yards on the turf and 113 yards overhead in dominating the contest. The loss left Belleville with a 3-5 season record and they tangle with a tough Westland John Glenn eleven at Wayne High School field Friday night at 8 p.m.

"We played poorly and Ypsi controlled the ball throughout the game," a dejected Belleville coach Jim Richendollar said after the contest. "Larry Merritt, our defensive right end, made nine tackles during the game

and was particularly outstanding."

Belleville winds up its season against John Glenn and Richendollar looks forward to another rough game. "They were barely beaten by a good Thurston team in the last minute and have played well most of the year," he said.

ON A FRIDAY AFTERNOON-You can see these cute Romulus baton twirlers in action, trying to swing the Eagles into the winning columns. But, alas, they're going to need more than batons to get the gridders moving. Has anyone thought of a magic wand?

Name Westland Rod-Gun Officers

Westland Rod-Gun Club has joined the ranks of National Rifle Association affiliated organizations, it was announced here today. The officers of the newly chartered club are:

President: Eugene R. Estep, 1546 Hubbard; Vice-President: Mirion S. Sypyrka, 6120 N. Crown; Executive Officer: John Graves, 46650 Bemis, Belleville;

(Continued from 1st Sports)

Kermit Bailey ran the two-point conversion and the Vikings had a 14-0 lead after the first quarter.

Continuing to find glaring holes in Romulus' pass defense, Burroughs fired a five-yard pass to Adams who was hit immediately. Adams managed to pitch back to Bailey who exploded down the left sidelines for 50 yards and a touchdown. Bailey leaped off left tackle to up the count to 22-0.

Romulus was to be burned once more before the half. With barely two minutes left in the second quarter, Burroughs stepped back and zinged a pass to right end Ernest Johnson. Johnson took the pigskin and rambled to the Romulus 20 where he shook off tackler Bill Worden and continued over the double-stripe for the TD. Bailey's off-tackle slant added two points and Inkster relaxed with a welcome 30-0 halftime bulge.

Trying valiantly to get back into the game, Glinski could only hit on 1 of 4 passes in the final two minutes of the first half.

The third period was scoreless but halfback Mike Barnum wrapped up the scoring in the fourth by ripping around right end for two yards and the final touchdown.

Glinski connected on 6 of 20 passes for 48 yards and had three pilfered by the Inkster secondary. Dave Brown rushed for 67 yards in 20 carries as the leading Romulus ball-carrier while Rance Thomas was held to no yards gained in 5 attempts. The Eagles managed 101 yards rushing and 10 first downs. End Bruce Jackson snared two passes for 15 yards, Frank Nesbit caught 1 for 20 yards and Bill Wonder, playing at end and halfback, gained 11 on two catches, one a beautiful one-handed grab.

Defensively, Leon Janes again led the way with eight tackles and three assists. Tim Sypulo, who usually just plays offensive tackle, played defensively in that spot and pulled down five runners and aided in four other tackles. Russ Reaume, cornerback Ron Kersey and defensive tackle Ken Laskaska each made six unassisted stops. Offensive tackle Gary Martin played defensively for the first time in the second half

with Garden City, Belleville also took two decisions from its All-American League rival, Melvindale, to bring the curtains down in their league.

Belleville's Cougars dropped Melvindale 16-to-0 in the freshmen contest, but it was 14-8 in Melvindale's favor after the Junior Varsity clash.

The Varsity turned the tide when it emerged from its battle with a close 6-0 decision.

Before You Get on Skis Start Getting in Shape

Thinking of taking up skiing this winter?

Then now's the time to start getting in physical condition for this increasingly popular sport, advises the Health Insurance Institute.

It will pay. Reason: an estimated 50,000 skiers who this winter will probably have to hobble home with broken

ankles, painful sprains, or injured knees.

WHO ARE the victims of ski accidents?

The young skiers. The unskilled skiers. The girl skiers.

Students of ski accident statistics by close observers (the National Ski Patrol, the Colorado Medical Society) make the point:

80 per cent of skiing accidents involve people under 22 years of age—perhaps because so many young people take up the sport.

76 per cent of the accident victims are inexperienced, so-called "weekend wonder" skiers.

While men greatly outnumber women on the ski slopes, ankle fractures are more common among women than men.

Some experts theorize this is because women have more difficulty disengaging their boots when they fall.

HERE ARE a few tips to get you ready for such high speed action:

Get in condition. Start working out on a regular basis long before the ski season begins. Your workout should include toe-touching exercises, deep-knee bends and other strenuous body building activities.

Be sure your boots, equipment and clothing fit you.

And, here are some ideas to remember when you go off on your first ski trip:

Take skiing instructions from the beginning. No one knows how to ski "naturally." You've got to be taught.

Quit before you feel too tired.

'Phantom' Is Secret U.S. Defense Punch

A REAL PHANTOM A few days ago at nearby Metro Airport, a new sound in the sky caused hundreds to look skyward. The sound was new, it was very different, even to the novice the thundering crescendo of this jet engine was unlike any ever heard in the area before.

A real "Phantom" was paying a visit to Metro Airport.

In reality, it was the U.S. Air Force's RF-4C Phantom II, a Mach 2-plus jet fighter in full war paint as is used on all aircraft in combat on the other side of the world today in Vietnam.

Relatively large for a jet fighter, the Phantom F-4 is 56 feet long with a wing span over 36 feet, literally dwarfing the RF-84's of the Michigan Air National Guard as it taxied up to the parking ramp of the military installation at Metro Airport.

The huge jet fighter is a frequent visitor at Metro being brought in for orientation and inspection by pilots and members of the Air

National Guard stationed there.

Not a complete newcomer in the aircraft inventories of the U.S. Air Force, the F-4 already has carved itself a niche in aviation history, and from all indications and records of past performance and success, it is obvious that the Phantom is really just beginning to roll.

Production planning for this fantastic fighter has exceeded over 5000 aircraft with over 2,000 already delivered and the free nations around the world begging to buy them also. Rated as one of the most "highly successful" aircraft in the history of jet fighters, it is without doubt a contender for the title of one of the most successful in the nation of military combat aircraft.

Even the next generation of fighter aircraft will be unable to match the Mach-2 (twice the speed of sound, 1,480 miles per hour) speed of the Phantom. With the coming of more advanced engines the increased use of titanium and the introduction

into actual use of variable sweep wings, it could very easily make the F-4 Phantom the aircraft in performance used well into the 1980's.

The new engines would improve performance substantially, the titanium could make structural improvements second to none, and with the supplementation of variable wings it would be ready for any supersonic era conditions that would have to be answered in the future.

Records prove that from a maintenance standpoint the F-4 Phantom is outstanding. Of all the aircraft in the Air Force and Navy inventories it has one of the lowest maintenance man-hour per flight-hour requisites.

As a versatile workhorse its capabilities are unlimited. Fighter-Bomber, Photo Recon, it carries a 100-percent wallop. For example, one F-4 can do a bomb carrying mission to that of four F-84's in the Korean War and can operate

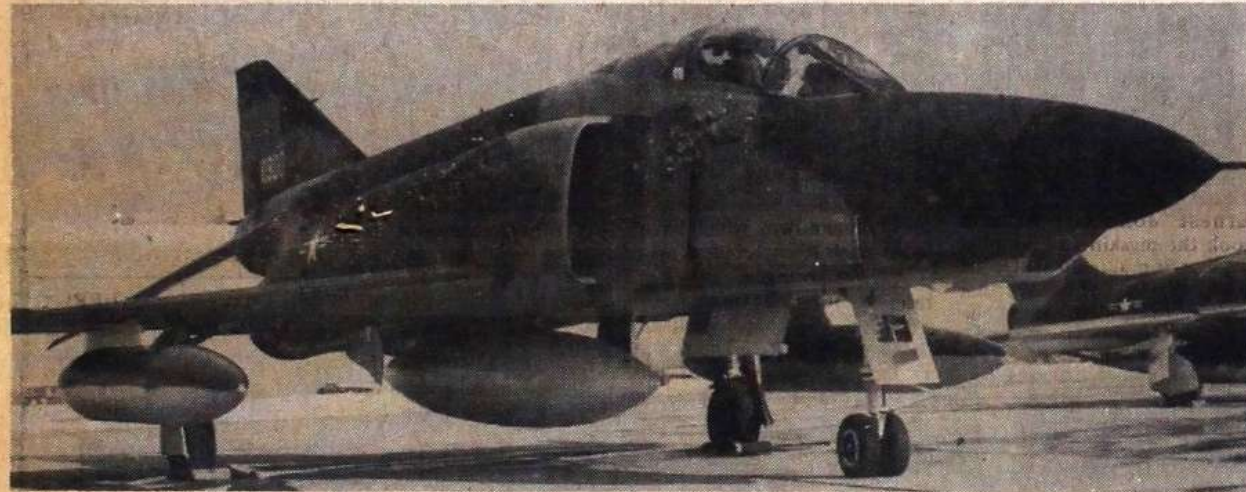

in far worse weather than any other fighter.

Local air guard units pilots were very high in praise of the F-4 and for many it was the first chance to get a real good close-up look. It is a far cry from the tiny cramped cockpit of the older F-84's lined up a few yards away. It is huge and is "loaded" with every known type of electronic system and controls known to the military today.

The F-4 is the right aircraft for our time and what's more important for our future.

For the powerful aircraft also carries a message where ever it is seen in the skies, be it over our home states or over the skies of the Continent or in the battle ridden skies of Vietnam.

It is the payoff for good security in these troubled times, the aerial "hardware" that makes up these fine jet fighters which our Air Force has shown. These are the aircraft which prove to the world that "Air Power is Peace Power".

VERSATILE "PHANTOM"—The F-4C in full war paint dropped in at nearby Metro Airport and is shown here parked at Michigan Air National Guard ramp. The huge jet fighter can fly with ease at Mach-2, twice the speed of sound. It is a regular Air Force aircraft stopping here for orientation and inspection flights.

Heartsuit On Market

Another major medical by-product of aerospace technology has been announced by the National Heart Institute. The product, a "Heart-suit," was developed for the Institute by the Hamilton Standard Division of United Aircraft Corporation. The suit, evolved in great part from the space program, looks like a space suit through it is "a down-to-earth garment,

designed for possible use in the treatment of heart attack victims." In association with a computer and pneumatic drive, the heart-suit reduces workload on the heart by regulating blood pressure and circulation. Equipped with a pressure helmet, it can be installed on a prostrate patient in less than five minutes.

Concorde In Works

British and French officials are meeting to decide on the start of quantity production. BAC and SUD officials, in order to start assembly-line production on the big SST, must soon O.K. orders for long-dated materials. In addition to the two prototypes now on test-flight operations, three more Concorde's, now in production, will join the test program. Concorde is described as "an excellent machine, one which has fulfilled every expectation." The test program is proceeding smoothly with very few difficulties encountered in either the airframe or the engines."

Jets Are Delayed

The Boeing Company stated this week that initial airline deliveries of its 747 jet transports could be delayed up to two months. The manufacturer blamed the late deliveries on engine delays. Pan American World Airways, which had scheduled its 747 inaugural transatlantic flight for December 15, cancelled the inauguration and made no new announcement of new dates for planned introduction of the huge airplane. Boeing holds orders for 183 of its 747's from 27 airlines, including 33 ordered by Pan Am.

Geese and ducks fly directly south in winter but in the spring return northward in leisurely stages.

Giant Plane On Schedule

Delta Air Lines is another step closer to the delivery of its first 250-passenger Lockheed L-1011 jet transport. Major assembly of the first of Lockheed's began on schedule August 29 when Charles S. Wagner, President of the Lockheed-California Company, turned a switch to close a 30-ton pressure door

which "sealed in" the first four L-1011 production fuselage panels for bonding in the world's largest autoclave. The panels, bonded in the autoclave, reduce by thousands the number of rivets used in normal aircraft manufacture. The first of 24 are expected to join Delta's fleet in 1971.

AIR FORCE WING IS CITED FOR HEROISM BY PRESIDENT

NAHA AIR FORCE BASE, Okinawa - Major General Oris B. Johnson, acting for President Nixon, has presented the Presidential Unit Citation to the 374th Tactical Airlift Wing, U.S.A.F., in ceremonies at the big U.S. island installation. 374th TAW crews, flying Lockheed C-130 Hercules missions involving "incredible risk," were cited for their dedication to duty and exceptional heroism

while engaging unfriendly forces in Southeast Asia." The president noted that the unit's personnel had made "major contributions to every significant engagement in Viet Nam during the period August 1967 to August 1968. During the Tet Offensive of early '68, C-130's of the unit were the mainstays of supply operations. Although aircraft sustained major damage from heavy enemy ground fire, the wing continued to do its important job."

NAVY BELIEVES RUSSIAN FLEET IS NOW THREAT TO U.S.

WASHINGTON, D.C.—The U.S. Navy is facing a difficult uphill battle to save the proposed attack carrier force it has emphasized is necessary to defend the nation. Navy officials are requesting \$377 million in the fiscal 1970 budget for continued construction of the two-reactor carrier CVAN-69 (Nimitz). Funding for a second two-reactor carrier has been deferred and hopes for a third are diminishing in the face of economy moves in the Congress and a congressional shift to domestic programs. Navy supporters point to the Soviet navy, "Growing faster than was imagined possible," as grounds for "what is needed instead of a cutback." Fears are growing that the Russians will, in less than two years, have a navy which can literally rule the seas unless the U.S. Navy is modernized and re-equipped. One Navy source told the NEWS SCRIPT, "Russian sea power,

surface, air and submersible, is not only a challenge, it is already a grave threat to the very survival of the U.S. as an independent nation."

PHOENIX SERVICE INAUGURATED

PHOENIX, Arizona-Delta Air Lines this week inaugurated service from many of its southeast and south central cities to Phoenix. Often described as "The West's fastest growing inland city," Phoenix' booming economy and population have made it, according to Delta officials, "one of the most important cities we serve." At the same time, Phoenix-area leaders lauded the airline stating that Delta would "open new skyroads for markets which will be of great benefit to the everyday life of our citizens."

Initially, Delta will operate four Super DC-9 round trip flights to Phoenix from Atlanta, New Orleans, Dallas, and Chicago. Delta's Phoenix-New Orleans flights will provide the Arizona city with its first direct Caribbean-area air ties.

Mr. Spyros S. Skouras, president of Prudential Lines, Incorporated, stated: "... any vital industry is always in a state of transition, and success lies in riding the leading edge of change."

747 PASSES FAA STRESS TEST

RENTON, WASH.—The Boeing Company announced this week that its 747 advanced technology jet transport, soon to be on operational airline service, has passed all airframe and structural tests required by the Federal Aviation Administration for commercial certification. In preparation for the exacting

test program, Boeing built a static test rig into which a 747 airframe was placed. The rig included enough structural steel to build a three-story building, more than an acre of three-foot-deep concrete, three miles of 12-inch channel steel (set in the concrete for tie-down purposes), 250 miles of instrumentation wiring, and 24 miles of hydraulic tubing.

UNDER THE BIG TOP

The all-new 99th edition of Ringling Bros. and Barnum & Bailey Circus opens Wednesday, November 12, at Cobo Arena (Detroit) for performances through Sunday, November 16.

The Circus has scheduled matinees on Thursday and Friday at 4:15 PM; Saturday and Sunday at 2:30 PM. All evening performances start at 8:15 PM except Sunday's final performance, which is at 6:30 PM.

In addition to the boxoffices at Cobo Arena, tickets are also available at ticket centers of all major Hudson stores as well as at Grinnell Music Stores, and by mail.

AT U—M

The Professional Theatre Program of The University of Michigan will present the world premiere of Evan Hunter's "The Conjuror" at Lydia Mendelssohn Theatre here Nov. 3-8.

Film and TV star James Whitmore will portray the title role, with Broadway leading lady Audra Lindley appearing as his wife and Tony Award winner Catherine Burns as his daughter. New York supporting players include John Granger, Morris Strassberg, Beverly Penberthy, Edmund Gaynes, and Bill Lazarus.

Low-priced previews on Monday and Tuesday, Nov. 3 and 4, are scheduled prior to the premiere on Wednesday, Nov. 5. Performances will run through Saturday evening at 8:30 nightly, matinees at 2:30 on Thursday and Saturday. Tickets are on sale at Hudson's and Grinnell's in Detroit, at Smith-Bridgeman in Flint, and at the Lydia Mendelssohn Theatre ticket office in Ann Arbor, (313) 668-6300.

SYMPHONY

Sixten Ehrling will conduct the Detroit Symphony Orchestra Sunday evening, November 9 in the first of three Symphony programs to be given this season in Windsor.

The programs will be part of the annual Christian Culture Series sponsored by Assumption University in Windsor.

Other Windsor concert dates for the Symphony are December 14 and April 5, and all of the performances are scheduled for Sundays at 8:20 P.M. in Cleary Auditorium.

Tickets for each performance are \$2.50, \$2 and \$1.50 (students), available at Cleary Auditorium or Assumption University. For additional information, phone 965-0838.

PREMIERE

The Detroit premiere of MGM's new movie "Goodbye, Mr. Chips" will be presented on Sunday evening, November 9 as a benefit for the Detroit Symphony Orchestra Maintenance Fund. The film, starring Peter O'Toole and Petula Clark, will be shown at the United Artists Theatre at 7:30 P.M.

Tickets at \$10, \$25 and \$50 are available at Ford Auditorium Box Office, Hudson's downtown and at the theatre box office. (The \$50 tickets are for patrons and include both cocktails at 6 P.M. and a dinner-dance in the Statler-Hilton Ballroom after the movie.

DR. KING MEMORIAL

A special hour-long musical-drama "Young Martin Luther King, Jr." will have its Midwestern premiere at the Detroit Institute of Arts Theatre Saturday, November 15, in two public performances.

Tickets for the 11 a.m. and 2 p.m. Saturday performances are \$1.25 (groups of 20 or more, 75 cents). They are available at the Art Institute Ticket Office (832-2730) and all J. L. Hudson's ticket centers.

The musical will be performed during the preceding week for school groups in the Art Institute Theatre.

CONCERT SERIES

Krumphorn, harpsichord, recorder, vielle, sackbut and shawm—in all, more than a dozen authentic medieval and renaissance instruments—will voice rarely-performed compositions of the 12th to 16th centuries when Syntagma Musicum is featured in the Art Institute Concert Series at 8:30 p.m. Friday, November 14 and in a special demonstration at 11 a.m. Saturday, November 15.

Concert tickets (\$5 to \$2.50) are available at the Art Institute Ticket Office (832-2730), Grinnell's downtown and all J. L. Hudson ticket offices.

Close scrutiny of the instruments and explanation of the playing techniques will be featured when Syntagma Musicum offers a lecture demonstration at 11 a.m. Saturday November 15. Admission for this session is \$1.50 at the door of the museum's lecture hall.

Highlighting this week's Thursday (November 13) and Saturday (November 15) concerts will be the world premiere of a work by Gene Gutche, "Epimetheus U.S.A. Opus 46", and the Detroit debut of Argentine pianist Bruno Leonardo Gelber.

Both concerts will be given in Ford Auditorium at 8:30 P.M. Sixten Ehrling will conduct.

INTERLOCHEN

The Interlochen Arts Academy Orchestra, which will make its first Detroit appearance on November 16, has added a new work and a soloist to its originally planned program. The concert will be performed at Ford Auditorium at 3:30 p.m. as a benefit for the Detroit Symphony Orchestra Maintenance Fund.

Tickets at \$5 are available at Ford Auditorium, at all Hudson's and all Grinnell's. Student tickets at \$3 are available at Ford Auditorium and Wayne State University Box Offices as well as at all Hudson's and all Grinnell's.

Violence, Kids Is PTA Topic

WAYNE--Dr. Warren A. Michigan, will be the guest speaker of the joint meeting of the University of Roosevelt, Hoover and Monroe School parents on Monday, November 10 at 8 p.m. in the Monroe School multipurpose room.

Dr. Ketcham's topic, "Violence in Child Play," is extremely timely. He is well qualified to discuss this subject. He is professor of Education and Psychology in the University School, and is a certified consulting psychologist in private practice.

Dr. Ketcham holds membership in the American Educational Research Association, Phi Kappa Phi, the Society for Research in Child Development, and is a member of the American Psychological Association.

WESTLAND--The new Westland Community Theater, formerly the Nankin Mills Players, will sponsor a workshop course in community theater in cooperation with the Livonia Parks and Recreation Department.

The program is currently scheduled to begin its first 10-week run beginning January 14. Meetings will be held at Bentley High School, Five Mile and Farmington in Livonia.

Mrs. Peg Knowles, sparkplug of the group and active in the Parkway Junior Players as well, says the course will cost \$5 for eight

sessions and two nights of a particular production which will be staged by the participants in the workshop at the end of the course.

After the course is completed, the \$5 will buy a membership in the Westland Community Theater group.

The first night of the course will be a skit forum, allowing all interested persons, regardless of age, to participate. There is no age limit, Mrs. Knowles says, although special classes will be set up for teenagers if there are a great number of persons in that age group who respond to the course.

Instruction will include dramatics and backstage talents, and workshop participants can choose which kind of theater work best suits them.

Anyone interested in the course may call the Livonia Parks and Recreation Department at GA 1-2000.

WMHS Play Is A Sleeper

WAYNE--Wayne Memorial High School will present the play George Washington Slept Here on November 13, 14 and 15 at 8:15 p.m. in the high school auditorium.

The play is a comedy about a city man who graves a "little place in the country".

Written by Moss Hart and George S. Kaufman, the play is considered a master work in the field of comedy. The two authors are also noted for "Guess Who's Coming for Dinner" and "You Can't Take It With You".

The cast, crew and director, Marry Ellen Tindall, are becoming more enthusiastic as the play nears opening night.

The excitement and enthusiasm generated by the people involved in the play promises to make it a great evening of entertainment for the entire family.

Viet Names Needed

LIVONIA--Franklin High School's Student Congress will be sponsoring a drive to send season greetings to those who are in the service, not necessarily in Vietnam.

They would appreciate any names and addresses of friends, relatives or neighbors that you know of who are serving.

Names must be received by November 12, and may be submitted in a box located in the Student Activities Room or may be addressed to: Mr. John Graves, Franklin High, 13000 Joy Road, Livonia.

Polish Legion Elects

LIVONIA--Ladies' Auxiliary Chapter 166, Polish Legion of American Veterans, was officially formed in Livonia On Oct. 28 in ceremonies conducted by Rose Gardzinski, State Dept. president.

Elected to lead the ladies auxiliary for 1970 were Doris Lelo, president; Jane Gaikowski, vice-president;

Maria Dabrowski, recording secretary; Lottie Mann, treasurer; Jean Najduk, financial secretary and Lori Swiantek, sgt-at-arms. Katherine Smolinski, Theresa Kilyanek and Myrtle Katchmarik were chosen to serve on the board of directors.

The next meeting of Chapter No. 166 will be Tuesday, Nov. 18.

Your First Home: A Big Job; And Fun

AN IDEA FOR A DEN

Now that Summer is drawing to a close, many June brides are in the process of furnishing their first homes. Whether it's a small, rented apartment or a "home of your own," certain decorating knowledge is necessary to transform hollow, impersonal space into that dream house that meets the needs of daily living for two.

Before purchasing any furniture, remember that it is an investment and your choices should be geared to the future as well as the present. An oyster white sofa

covered in the finest silk may be the ideal accent for your living room now, but how will it hold up against sticky little fingers that may be a part of your home in a year or two?

It is wise to choose upholstered furnishings with stain-resistant finishes, tables and chests with glass or high-pressure tops, carpeting with a pattern or tweed effect, rather than a solid. Even if a family is not in your immediate plans, you'll appreciate the ease in housekeeping.

If you are living in two rooms now, choose living room furnishings that can go into a rec room or family room after you move into a larger home.

Before you make any large purchases, make sure you shop thoroughly. It's a good idea to visit one of the larger stores in your area even if you do not intend to purchase anything in this specific store. This will still afford you the opportunity to examine a wide variety of styles, lines and manufacturer names.

If you are planning on filling in pieces of a certain manufacturer's collection or group at a later date, be sure and write directly to the manufacturer to find out how long the line has been in existence and how long it is planned to continue.

Before purchasing any oversized pieces such as king-sized springs and mattresses, over-long sofas, portable bars, etc., make sure you can get them into your apartment. Measure doorways and window openings. Check stairway turns—especially if you live in a third floor walk-up.

A good method in determining what kind of furnishings will fit into your rooms is by making a floor plan. Draw your rooms to scale using graph paper, allowing 1/4 inch per foot. Be sure to indicate all the architectural features such as doors, windows, radiators or heat registers, electrical outlets, etc.

Next, draw a scale pattern, called a template, of each piece of furniture you already have or plan to purchase. By arranging and re-arranging the templates on your floor plan, you can determine just how each piece will fit and look in your room. In this manner, you can also easily see which items you need immediately and which can wait for the future.

Traditional elegance is depicted in this living room setting designed by C. E. Driver for Gaines Manufacturing Co. — a new "America at Home — Fall 1969" setting at the American Furniture Mart. Sofa and matching chair — both boasting blow trim on skirts — are covered in gold velvet. Two occasional chairs are done in a gold velvet. Two occasional chairs are done in a gold, white, brown, and green floral print. All seating pieces feature curved, tufted backs for the maximum in comfort and charm.

A Child's Room Should Be Bright

Personalize and brighten a child's room with a few imaginative decorator touches.

If the room has a wood floor, add a colorful fantasy print area rug for color and

warmth.

If the floor is covered with a solid carpet, a unique touch can be achieved by applying cut-outs of contrasting carpeting in patterns cut out from the existing floor covering. Sell-out carpet

pieces can be obtained inexpensively for this purpose.

Plain white window shades can take on new interest by decorating with fabric scraps cut from curtains or bed-spreads in patterns, animal or nursery decals, or painting to create a gay day-night scene.

Bandana prints, floral patterns or wild geometric prints can give life to pillows or covers for bed or chair. Two large bandana print handkerchiefs sewn together make a perfect cover for a small throw pillow.

The addition of wall shelves or a hutch on an existing chest of drawers offers an ideal spot to display collections or neatly house dolls, games and toys.

Bilt-Well Company
New, But Experienced

Bilt-Well Construction Company is a new company that is founded on 25 years of building experience of Farrell Morre, president, and Joe Metzger, secretary-treasurer.

The Company, located at 2755 Southfield Rd., specializes in all phases of commercial and residential remodeling.

"There's no job too big or too small," Metzger says. "We supervise all our own work and have no salesmen and pay no commissions. Therefore, we can be very economical in our prices."

The company has build new office buildings, apartments and homes and is currently erecting a clothing store on Woodward Ave. in Detroit.

Computer Opens
Homes to Realtor

WESTLAND — The computer has invaded the home, by helping to sell it.

Realtor Robert Wayne Russell, located at 2202 Wayne, one block south of Ford Road, is one of 450 businesses using Realtron as members of the United Northwestern Realtor Association.

Russell feels that other members of the association aren't using the computer to its fullest estimation, but sees it as a valuable aid to his locating prospective homes.

The computer runs through a number system via telephone in which coded words are fed into it and a mechanical voice replies with its accurate findings.

Russell, a real estate broker, has been in his present location since April 1, 1969, and was a salesman in

Mt. Rainier, Washington, is 14,408 feet high.

Rain water is essentially salt-free.

Duck eggs hatch in 24 days after setting.

There's Right
and Wrong
Arrangements

Proper furniture arrangement is important in displaying your furnishings to the best advantage and also in getting the most use out of a room.

Here are some points to remember:

* Keep traffic lanes open. Place major conversational groupings so that they are not disturbed by traffic. It is also possible to redirect traffic by re-arranging furnishings.

* Place large pieces close to, and parallel to, the wall in order to use the least amount of wall space and conform to the lines of the room.

* Arrange furnishings so that each room has a center of interest or focal point.

* Group together the pieces that are used together, e.i. comfortable chairs and sofa for a conversation group; desk or table and chair to form work or hobby center.

* Determine the function of a piece by its arrangement. For instance, a bookcase or cabinet finished on both sides can become a room divider by its placement.
